I am the exception to the rule that all senators see themselves in the Oval Office.

~Sheldon Whitehouse

We must now become not just takers from the ocean, but caretakers of it.

~Sheldon Whitehouse

Worldwide, our oceans are warming, rising, and becoming dangerously acidic as a result of carbon pollution and climate change - endangering much that we hold dear.

~Sheldon Whitehouse

Donald Trump disproved the notion that there is a direct dollar-for-dollar correlation between how much money you had in your traditional war chest and what your election outcome was going to be.

~Sheldon Whitehouse

The birthers, the fanatics, the people running around in right-wing militia and Aryan support groups, it is unbearable to them that President Barack Obama should exist.

~Sheldon Whitehouse

The Ryan budget gets rid of Medicare in 10 years and turns it into a voucher program.

~Sheldon Whitehouse

I don't think you earn the right to a message until you've earned it by having a real fight, really being willing to stand up for what you believe in.

~Sheldon Whitehouse

The oceans are a way of life. We fish; we sail; we have a robust marine economy.

~Sheldon Whitehouse

Narragansett Bay waters are getting warmer -- 4 degrees Fahrenheit warmer in the winter since the 1960s.
