Serial Killer, Focus, Jobs, Should, Want, Scar, Knowing, Ends, Bakers, Matter,
Sugar*

Battle scars just remind us that we survived.

~Shelly Crane

What? It's my job as best friend to make sure he's not a serial killer. Or an English major, not sure which one's worse.

~Shelly Crane

You don't love people for what they can give you. You don't love them because of what they do for you or how good you make them look. Love is blind, love does not boast, love is not vain.

~Shelly Crane

It's rooted in my blood to consume you and be consumed by you. To protect you. To please you, in every way. To make you shiver when I touch you. To cause your heart to beat faster.

~Shelly Crane

...now Eli was my new neighbor. Which was fine with me because I sucked at Math. Math and I were not on speaking terms.

~Shelly Crane

It doesn't matter who you were or what you've done in the past. The only thing that matters is who you are right now.

~Shelly Crane

You chose me, I chose you. End of story.

~Shelly Crane

Love finds you in the strangest places, and hope clings to us in the nooks and crannies we never think to look.

~Shelly Crane

I want to give you back your first kiss, the one that jerk stole from you. And I want it to be something that even a coma can't make you forget.

~Shelly Crane

I'll always come for you. I'll always find you.

~Shelly Crane

I did that girly little sighing thing you do when you can't handle all the sweetness anymore and bit my lip.

~Shelly Crane

I'm not a baker so I'm not about to sugar coat it for you.

~Shelly Crane

Sometimes, knowing when to let go is just as important as knowing when to hold tight.

~Shelly Crane

The things we should focus on in any life shouldn't be what we've lost, but what we've gained

~Shelly Crane

Everything we'll accomplish, we'll do it together or not at all.
