On the contrary, it might even be a projection of what the truth is of the Bush Administration's complacency and ineptitude on the terrorism in its first 9 months in office.

~Sidney Blumenthal

It was the biggest suppression of voting rights in our country's history since Jim Crow. And the thread of race runs from the beginning to the end of my book.

~Sidney Blumenthal

Clinton took very tough decisions on the economy.

~Sidney Blumenthal

Bill Clinton was in the line of great progressive presidents who faced the realities in his own time and applied innovative solutions to problems.

~Sidney Blumenthal

The attack on Clinton on terrorism is entirely politically inspired by the right-wing of the Republicans, and has no basis in fact whatsoever.

~Sidney Blumenthal

As I said, if you don't stand up for yourself, people aren't going to think that you can stand up for them.

~Sidney Blumenthal

Even on education, his one accomplishment, the Leave No Child Behind Act, and he has left it unfunded.

~Sidney Blumenthal

And Louis Freeh was a completely dysfunctional FBI Director, who was actually waging his own private war against the Clinton Administration.

~Sidney Blumenthal

If there were any clear investigation of 9/11, they wouldn't let Louie Freeh off the hook.

~Sidney Blumenthal

The conservative argument is that the economy is like the weather, that it just operates automatically.

~Sidney Blumenthal

It's absolutely crucial for the Democrats to have a sense of their history, of who they are, in order to be able to project their values and stand up for them.

~Sidney Blumenthal

It was an absurd theory that by cutting taxes you would increase government revenues, because the growth of the economy would create an overflow of taxes that would fall into the government coffers.

~Sidney Blumenthal

We barely missed killing Bin Laden. There were numerous findings issued by the President to kill him. We rolled up terrorist cells. We stopped the millennium bombings.

~Sidney Blumenthal

Clinton was a president who used his office, in creative ways, to try to reinvigorate the federal government to benefit the majority.

~Sidney Blumenthal

But presidents matter. That's one of the biggest lessons I learned being in the White House.

~Sidney Blumenthal

22 million new jobs under President Clinton. 3 million lost under Bush.

~Sidney Blumenthal

George W. Bush has exhibited hostility to science that no other president has ever displayed.

~Sidney Blumenthal

Clinton was very early on aware of the problem of international terrorism.

~Sidney Blumenthal

George W. Bush has deliberately polarized and divided America for political purposes, politicizing the most basic questions of war and peace for partisan advantage.

~Sidney Blumenthal

The incubator for terrorism, after the Middle East, is Europe, partly because of proximity, partly because of the existence of large Muslim communities there.
