I'm not a snob. Ask anybody-well, anybody who matters.

~Simon Le Bon

It worried me when Britney snogged Madonna. It looked a bit fake. It screamed 'We're in this for the money'.

~Simon Le Bon

You don't really want to be always thinking about the future, always thinking about where you're heading for. You've got to think about how you're getting there.

~Simon Le Bon

It's pathetic to have regrets about fashion. Things to do with my life, yes, I have regrets there.

~Simon Le Bon

People wonder why I go out with models with nothing between their heads

~Simon Le Bon

Complaining doesn't make a difference; it's useless and it's wasted energy.

~Simon Le Bon

I feel sorry for the '90s, because it was never able to be anything much more than the hangover to the party that was the '80s.

~Simon Le Bon

You've got to make sure that you make the best of the day that you're in.

~Simon Le Bon

God created the world and then created the devil, to blame for his mistakes.

~Simon Le Bon

We want to be the band to dance to when the bomb drops.

~Simon Le Bon

That was the whole point in forming a band. Girls. Absolutely gorgeous girls

~Simon Le Bon

I think repeating yourself is a sign of old age, telling the same joke again and again. Especially if they're jokes that don't make people laugh

~Simon Le Bon

There's no question that a vinyl record is a lot nicer than a CD. It's nicer to hold in your hands, you can do more with it.

~Simon Le Bon

I think it's important when you make a record that you know you're working with the people who are going to get the best out of you.

~Simon Le Bon

You can set unachievable goals, and you can end up missing out on your life because, in some ways, ambition is kind of living in the future.

~Simon Le Bon

After a foreign invasion, there has to be a sort of feeling of musical inadequacy in the country.

~Simon Le Bon

Music is not supposed to be nationalist. It is supposed to surpass language barriers. It is about generations communicating with each other.

~Simon Le Bon

Ambition is a funny thing. You can completely screw yourself with it if you're not careful.

~Simon Le Bon

Sad news- Prince is gone. Music has lost a great presence. A world less funky. I don't believe in it.

~Simon Le Bon

Digital music boils down the actual musical experience.

~Simon Le Bon

I've got three kids, and those are mouths to feed.

~Simon Le Bon

My kids love vinyl, I had to teach them how to put the needle on the records. Now they're worried about scratching the records, but it's incredible!

~Simon Le Bon

You're starting to see new record companies and business models taking shape, but it takes time.
