We are perfect and it's just for us to acknowledge this aspect of us, be conscious in our thoughts and use mind power to bring forth the betterment of the nation.

~Sizzla

Fear is something that really causes the people not to ascend within the spiritual and physical realm. Once you have Jah as a shield and a guide, you got to arm yourself and nothing can you any harm.

~Sizzla

Thank you Mama for the nine months you carried me through/â€!No one knows the pressure you bear a just only you.

~Sizzla

Don't go on pretending to be someone you are not

~Sizzla

Without the lord to shield you and guide you, you gonna fade away. Jah is your shield and your guide. The wicked man gotta turn aside. No need to fear no wicked guide. Rastafari protect your life!

~Sizzla

I hope you get a message of love and to continue the love and continue the spirit that I'm trying to transmit to you in a righteous sense to be in one unity. Rastafari!

~Sizzla

Spread love and continue life. Keep creating life, that's my message!

~Sizzla

My message is love and righteousness and peace and to share and care for yourself and share for others as you would share for yourself. A message of your inner thoughts.

~Sizzla

Stop killing your brothers and your sisters and help them out in any difficulty. That's my message.

~Sizzla

I'm merely teaching you to be someone of pride and to be a good leader and that's the message I want you to take away from my music.

~Sizzla

I make a lot of music for different people. My audience is varied so I use different tempos for different music in order to satisfy my many fans.

~Sizzla

When I'm gonna sing for people I try to meditate upon his majesty and meditate on what is right and then transmit it to the nation. That is how Rastafari really influence.
