I never set out to be part of a genre, because I listen to all types of music.

~Skrillex

Obstacles are an opportunity to create something new

~Skrillex

I don't care about having money. It's about being happy, man.

~Skrillex

There's been not a dime spent on marketing for any record I've ever put out.

~Skrillex

No one worries about genre when they're dancing. They're not asking themselves, 'Is this song a dubstep song?'

~Skrillex

I prefer the gloominess to the sun. I don't know why.

~Skrillex

If I can win grammys then that means all you yet to be seen bedroom geniuses will one day TAKEOVER THE WORLD

~Skrillex

There is a lot of music out there that you can play side by side and you can't hear the personality - that has a timeline on it, for sure.

~Skrillex

I don't like being overexposed. I don't like being on covers. And I don't like people talking about me.

~Skrillex

I don't like hype cluttering art.

~Skrillex

I book myself tight. If I have any time off, I get antsy.

~Skrillex

Fantasy is hard to do when it comes to making it look good compared to something that's a documentary or hyper-realism.

~Skrillex

I think phone cases will always be novelties, but there's always so many interesting phone cases I like phone cases and I think the sillier the better - but this is a cool take on it.

~Skrillex

I don't really think about recognition; I'm not really involved.

~Skrillex

Singing's not my real passion.

~Skrillex

Sometimes a song can take up to a year to write, and because I waited that year and waited to work on it that day, it came up that extra 50 percent.

~Skrillex

I haven't played EDC since 2011. Normally, my sound fits a little bit better in mixed festivals.

~Skrillex

It's strange - some directors are really talented but they can be so precious when it comes to letting you be a part of it.
