You get educated by traveling.

~Solange Knowles

Any decision I make is based on myself, and the only person I have to give an explanation to is God.

~Solange Knowles

I think many people, especially from other cultures, just don't understand the role hair plays in Black women's lives.

~Solange Knowles

As an artist, everybody has the opportunity to celebrate and speak their truth.

~Solange Knowles

I have to learn how to say no a lot. Life is too short for anything else.

~Solange Knowles

I actually love my natural hair when it's in a twist out and it's been slept on for five days and revived by the steam of the shower.

~Solange Knowles

We are getting an education of a lifetime. We're actually out there in the real world.

~Solange Knowles

Style is the way we communicate who we are to people before we open our mouths.

~Solange Knowles

The album ['A Seat at the Table'] really feels like storytelling for us all and our family and our lineage.

~Solange Knowles

I don't really have guilty pleasures. Anything musically that I fully, fully believe, is good no matter who the artist is, no matter what the marketing is behind it, I stand pretty firm.

~Solange Knowles

I've let go of being a super perfectionist on every single note and wanting the pitch to be absolutely perfect all of the time. I grew up watching the best of the best.

~Solange Knowles

It is always an honor to work with those that share your passion for music and just enjoy making great music.

~Solange Knowles

You're just so excited that you have this record deal or this movie opportunity that you don't stand up for yourself and say, This is what I want to do.

~Solange Knowles

There's a lot of situations where I feel irony involved when R&B and hip-hop is expressed in the indie worlds. There's a lot of times when I feel like the juxtaposition becomes a thing.

~Solange Knowles

He [the son]'s grown up listening to all types of music, and the natural form of rebellion is to find the one genre that maybe he hasn't listened to and to make that his thing.

~Solange Knowles

I'm a fan of hip-hop and I love it, I by no means am an expert on it.

~Solange Knowles

When you're younger, you get shoved a lot. You don't really have a say-so.

~Solange Knowles

What's important is that my family and I are all good.

~Solange Knowles

I remember being really young and having this voice inside that told me to trust my gut. And my gut has been really, really strong in my life. It's pretty vocal and it leads me.

~Solange Knowles

I have been writing songs since I was 9 years old, so writing has and always will be my first love and passion.

~Solange Knowles

One of the things I'm most proud of about myself is my ability to fail in front of the world. You have to have that attitude when you want to experiment in art, in music, in writing, or in fashion.

~Solange Knowles

So much of your identity in junior high is built on who you're with. You see the world through the lens of how you identify and have been identified at that time.

~Solange Knowles

I actually was a ballet dancer - I studied ballet from three until 13 - but like very seriously, that's what I wanted to do. I wanted to be a contemporary ballet dancer. I wanted to go to Juilliard.
