It's so important and easy to be a kid at heart.

~Soleil Moon Frye

It's never too early to involve your kids in giving back. And the more hands-on the experiences are, the better.

~Soleil Moon Frye

I don't know why you call it morning sickness, because I was sick all day and night!

~Soleil Moon Frye

I love being pregnant!

~Soleil Moon Frye

We can all become activists and raise questions.

~Soleil Moon Frye

My mom always made sure I lived my life as a regular kid.

~Soleil Moon Frye

To have a sense of education and ethics is important.

~Soleil Moon Frye

I think that's one of the most important gifts we have in television - the ability to heal through laughter.

~Soleil Moon Frye

I used to be a free spirit.

~Soleil Moon Frye

I love social media and the ability to connect to new people through Twitter and Facebook and share my real time experiences with my mommy network.

~Soleil Moon Frye

I have those moments with my kids and family where we try to unplug and just be in the moment. We put everything else to the side and just be there with our family.

~Soleil Moon Frye

I was always trying to find the balance between trying my best and being an incredible parent. I literally realized that it was chaos - but it was happy chaos.

~Soleil Moon Frye

I had such a hard time finding great organic and non-toxic items for my daughter.

~Soleil Moon Frye

I wanted to create a place where parents can come and find products that are safe for their children, as well as good for the planet.

~Soleil Moon Frye

Catsuits were big for me in the '90s, and I had many of them. Even catsuits with shorts in them.

~Soleil Moon Frye

Eventually, I'll go back to acting, but for right now, my children are the most important thing in the world to me.

~Soleil Moon Frye

I love, I love human beings, studying them.

~Soleil Moon Frye

I want kids to know that it is okay to make a change in order to feel better about themselves.

~Soleil Moon Frye

I know there are parents who are very structured and organized and

are certainly far more together than I am, it's just not me.
