I've been training Brazilian Jiu-Jitsu all my life. Boxing, kickboxing. I'm definitely not a fighter, but I defend my honor.

~Spencer Pratt

My hustle is just too crazy. I'm trying to take over the world!

~Spencer Pratt

I don't have to have talent. I just need to have auto-tune and be allowed to have the hottest track in the game, and my swag.

~Spencer Pratt

Madonna, eat your heart out. Britney Spears, eat your heart out. I would say we have diamond records coming - they're gonna sell 10 million-plus.

~Spencer Pratt

The bottom line is, if every single platinum song right now wasn't auto-tuned, then I would be like, "I can't be a rapper."

~Spencer Pratt

What real job - what political world - would want Spencer Pratt, with the stigma I've attached to my name?

~Spencer Pratt

There are more people with cell phones in the world than any other thing on the planet. There are billions of cell phones. There's not not billions of radios.

~Spencer Pratt

Heidi [Montag]'s a far more talented artist. Personally, I think Lady Gaga is repulsive and classless.

~Spencer Pratt

I got a nice nine-month vacation living on the beach collecting sand dollars, and I really got to reflect and realize that in entertainment, you can definitely go too far.

~Spencer Pratt

I don't care about the clubs, I don't care about the radio, all I care about is getting my digital downloads.

~Spencer Pratt

Besides Gucci, and Juiceman, I'm not really excited about anybody in the game. I just love Gucci and Juice because they just have too much swag that they don't know what to do with themselves.

~Spencer Pratt

We made and spent at least 10 million dollars. The thing is, we heard that the planet was going to end in 2012. We thought, We have got to spend this money before the asteroid hits.

~Spencer Pratt

I'm not really interested in anybody, that's why I started rapping. I'm still a fan of Tupac. That's the only rapper that I'm still like, "Oh! Tupac!"

~Spencer Pratt

There's no way my love for fame and her love for puppies will ever work out successfully.
