

# Star Jones Quotes

*President, People, Nine, Nice, Husband, Clinton, Stars, Mean, Want, Way,  
Pounds, Dying, Honesty, Bills, Sometimes, Real, Journey, Believe, Choices,  
Country*

I was a prosecutor in Brooklyn in the homicide division and then as a senior assistant district attorney.

~Star Jones

Yes and, you know, I can't use the nice words anymore because I used to chicken out by using them. I used to call myself plus size, used to call myself chubby. I used to call myself overweight.

~Star Jones

I want the big drama. I always said I don't want a wedding I want a parade.

~Star Jones

No, you're not allowed to be bossy when you're married. You have to learn compromise, and compassion and patience.

~Star Jones

I mean, on the television, I've got to continue to be Star Jones Reynolds. And I enjoy that. But in my real life, I'm a wife now. You can't really be bossy when you're married.

~Star Jones

You can have financial strength, professional strength, emotional strength but for me without spiritual strength none of the rest of it matters.

~Star Jones

Barbara did the selecting, and that's probably the most brilliant thing, was she put together a group of women, different backgrounds, different experiences.

~Star Jones

In all honesty my cake was baking when I met Al - I had made up in my mind already to get physically healthy. He refreshingly was on his own

journey so it was almost as if we walked together.

~Star Jones

This is the time that I really miss being in my courtroom because I believe that that's the last place in this country where there's supposed to be fairness.

~Star Jones

I was in the middle of a crossroads, which is a nice way of saying crisis, physically, emotionally and spiritually. You know the physical part. We just talked about it.

~Star Jones

I felt good full figured. Morbidly obese I was unhealthy and dying.

~Star Jones

Between Newt Gingrich, [Rudi] Giuliani and Chris Christie, they've got like the trifecta of misogyny.

~Star Jones

My dad taught me true words you have to use in every relationship. Yes, baby.

~Star Jones

One day I actually took the list into the bathroom and I put it up against my face and looked in the mirror and I realized I had one of two choices, change the list or change myself.

~Star Jones

Sometimes when, you know, God tries to correct you in private and if you don't catch it he'll correct you in public.

~Star Jones

Oh, definitely and you know you take the bitter with the sweet but the

benefits far outweigh the burdens of what I've been able to do for my family, my word.

~Star Jones

The toughest part was doing it in front of the world and recognizing that you had gotten to a point where if you didn't do something you were going to die.

~Star Jones

I can get whatever I want to eat and when you, you know, you forget to eat you sometimes pick up fast food.

~Star Jones

You're never allowed to step on people to get ahead, but you can step over them if they're in your way.

~Star Jones

[Donald] Trump's own arrogance gets in the way. It's as if he steps on his own tongue regularly.

~Star Jones

[Hillary Clinton chose to make her marriage work. That is just outrageous.]It speaks of the sexism and the misogyny in this election [2016].

~Star Jones

Bill Clinton was punished for his behavior.

~Star Jones

First of all, Bill Clinton was an extremely good president and more importantly, the country was in a very good position when he actually walked away.

~Star Jones

Not really in all honesty because until you take control of your own health and go to your own doctor and have your own doctor tell you what's going to work for you.

~Star Jones

We fight a lot, you know, but that's family. We may be dysfunctional, but we're still family.

~Star Jones

And I tried it and I felt, I guess I must have been pulled in by the red light of television and now I've been on TV since 1992.

~Star Jones

I'm fairly in tune with what's private with my husband and with me.

~Star Jones

I think for a couple of years I was believing that I was doing it all on my own and I wasn't.

~Star Jones

Yes, I know and then in the same time period within those nine years I lost 150 pounds.

~Star Jones

[Donald Trump] doesn't have the temperament to be president.

~Star Jones

And I had this big, long list of what I wanted in a guy but I realized I didn't stack up to the list myself.

~Star Jones

The vast majority of the coverage had to do with him basically saying, for the first 100 days of my administration, the [Donald] Trump administration, I'd be going after people who ticked me off.

~Star Jones

I want people to make the same choice I made to get healthy.

~Star Jones

I'm not ashamed that I need glasses for distance. I did not feel like I needed to have all of that hair, which was typical Star Jones, or the extra lashes or the heavy makeup.

~Star Jones

I had started losing weight. I mean he didn't know anything about the journey that I was on at that point obviously but from my highest weight of just over 300 pounds I lost about 45 pounds.

~Star Jones

I guess the President says the majority of the people didn't elect him, he doesn't have to listen to 'em anyway.

~Star Jones

There are a number of things that came out of Donald Trump so-called policy speech at Gettysburg that most of the reporters were saying were real positive things.

~Star Jones

Then you got Newt Gingrich up here who - didn't he leave his wife while she was dying to marry the next wife? Give me a break, Newt.

~Star Jones
