Everyone can do simple things to make a difference, and every little bit really does count.

~Stella McCartney

I'm a real believer that just doing a little something is a lot better than doing a lot of nothing.

~Stella McCartney

I think personal style starts from within because it's a philosophy and an attitude. If you're honest and true to yourself, you will have the best sense of personal style.

~Stella McCartney

As a designer I like to work with fabrics that don't bleed. That's why I avoid all animal skins.

~Stella McCartney

The really great thing about my shoe store is that there's not one dead animal in it.

~Stella McCartney

We try to make earth-friendly decisions whenever we can, as it's part of our brand DNA.

~Stella McCartney

There's nothing fashionable about a dead animal that has been cruelly killed just because some people think it looks cool to wear.

~Stella McCartney

Now, get out there and kick ass!

~Stella McCartney

Being effortless is the coolest thing in the world

~Stella McCartney

Laugh my friend, for laughter ignites a fire within the pit of your belly and awakens your being.

~Stella McCartney

It's not about what it looks like in the studio or on the runway. It's what it looks like on a real person that matters.

~Stella McCartney

I was brought up to understand that we are all here on planet earth together.

~Stella McCartney

The beliefs I was raised with - to respect animals and to be aware of nature, to understand that we share this planet with other creatures - have had a huge impact on me.

~Stella McCartney

A little black dress is something to rely on. To fill you with confidence and ease. To have an attitude that is pure and effortless, yet sexy and classy.

~Stella McCartney

I never wanted to make it too easy for people to sum me up.

~Stella McCartney

People think I'm strong, but actually I wanted to crawl away. I thought, I'm going to live in the country with my horse and I'll get a nine-to-five; I don't need this.

~Stella McCartney

Success financially is a measure of creative success, it is the same in all arts.

~Stella McCartney

When you think of fashion photography, it's a dream. It's like we all want to be those women. We want to wear those dresses.

~Stella McCartney

Strength on its own in a woman is quite abrasive and not terribly attractive all the time.

~Stella McCartney

I love that you can have the language between the two worlds of technology and fashion, because I don't think that many designers get to do that.

~Stella McCartney

It's immoral that people make money out of writing crap, but I try not to obsess about it. I don't want to spend my life being angry.

~Stella McCartney

The main thing I need to do is create, hopefully, exquisitely beautiful, desirable objects for my customer.

~Stella McCartney

People work better when they are afforded to be themselves

~Stella McCartney

I literally have meetings at eight o'clock in the morning, and I finish at nine o'clock at night. It sounds pathetic, but I don't even have time to go shopping.

~Stella McCartney

I get a real kick out of it, seeing people wear my designs.

~Stella McCartney

I personally love sportswear, and love using it in high fashion.

~Stella McCartney

If people stop liking my clothes, I'll make a record.

~Stella McCartney

I loved all those Doris Day visuals of her being a tomboy and then changing into this gorgeous girl in a ballgown.

~Stella McCartney

I used to get embarrassed about the fact I liked fashion. I still get a bit cringy.

~Stella McCartney

I think the moment that I'm very proud of is building a business without using animals. And, hopefully, changing people's perception of how you can do luxury fashion.

~Stella McCartney

You feel like everyone hates you if you've got a good life, now I feel maybe it's allowed because I've had my share of sadness.

~Stella McCartney

My mum taught me to have a soul.

~Stella McCartney

At the end of the day I separate things; my life is my life and my work is my work.

~Stella McCartney

For me, singing is the most natural thing in the world. I've grown up with it and I know I've got that gift.

~Stella McCartney

I confess to being a frustrated musician.

~Stella McCartney

I ride my bike, I work out, I do a bit of, er, dancey things.

~Stella McCartney

I'd rather people turn up than not. And of course I'd rather have people be enthusiastic.

~Stella McCartney

More than anything I want to be fit so I don't get out of breath when I play football with the kids.

~Stella McCartney

I don't plan massively in advance.

~Stella McCartney

It's not realistic to live in the country at this stage. I've got a business in London. I beat myself up about it all the time.

~Stella McCartney

We always had our own vegetables growing up and now I'm doing it with my kids at our house in the country.

~Stella McCartney

I think deep down I'm spiritual, but there's nothing I practice.

~Stella McCartney

At times I make music, but in private.

~Stella McCartney

For me, women's ski wear has always been black and, again, not as feminine or sexy as I think it could look while still having the technology there.

~Stella McCartney

My biggest surprises in my everyday job have to do with the challenges

of trying to be slightly more responsible as a brand.

~Stella McCartney

I think it's very wrong to have the mass murder, every single day, of millions of animals.

~Stella McCartney

Sometimes I wish I were less sensible.

~Stella McCartney

I feel like a different person since my mum passed away, like I'm driving a ship with my husband alongside me and we're leading these four children into unknown waters.

~Stella McCartney

I can honestly say this industry hasn't made me neurotic about my looks, except maybe my weight. I hope my clothes kind of reflect that. They're meant to make you feel good.

~Stella McCartney

Most male painters have historically admired the female form. It's got a lot going for it.

~Stella McCartney

Whether you eat meat or not, you can be part of this decision to limit the meat industry destroying our planet's resources.

~Stella McCartney

I don't use specific brands really. It's just that for my skin, I need as high an SPF factor as I can get my hands on. That's the only rule.
