Donald Trump feels like he doesn't get the credit for being a legitimate president. He should have therapy over that legitimacy thing.

~Stephanie Cutter

As a commander-in-chief what you do and what you say has real consequences.

~Stephanie Cutter

My philosophy is if you're going to work 24 hours a day, seven days a week, for not a whole lot of money, why work for someone you're not gonna be loyal to?

~Stephanie Cutter

This is the debate we have every time we talk about the minimum wage, that if we raise it even 50 cents, that it means employers are just going to shut down. It's not true.

~Stephanie Cutter

There's nothing harder than going on TV and saying something that you don't believe. I don't do that anymore.

~Stephanie Cutter

If Mitt Romney and Paul Ryan get elected to the White House, Medicare will be bankrupt by the end of their first term.

~Stephanie Cutter

I've been very fortunate to work for great people - so even when the political process gets ugly, I find inspiration in the people around me.
