Music is my life - acting's just a hobby.

~Steve Burns

Well, my aspirations certainly were not to be in a pre-school show. I mean, it's certainly nothing that I considered; it's nothing I ever thought anyone would ever let me do.

~Steve Burns

The best traders are simply slaves to the market's price action

~Steve Burns

Much of our trading comes down to a battle between our patience and our impulses.

~Steve Burns

The best traders I know are also the most humble people I know, coincidence? Or has the market taught them some very valuable lessons?

~Steve Burns

Eat as much as you like-just don't swallow it.

~Steve Burns

The idea of the show is that it's active and that children will become involved and watch the show, but also participate in the show. And I didn't know if that would work.

~Steve Burns

The majority of short term trading results are just random. In the long term the money ends up with those that can trade and manage risk.

~Steve Burns

When I was 14 I would pick up my brother's bass guitar, and I would just pound on it, having no idea how to play it.

~Steve Burns

The ones who make it, are the ones who manage risk.

~Steve Burns

I learned really valuable lessons from 'Blue's Clues.' I'd repeat them every day. 'You can do things. You are smart.

~Steve Burns

My fantasy for children's television is that it's not really children's television, it's everybody's television.

~Steve Burns

Acting on a blue screen is awful.

~Steve Burns

And I think that if I were a for real celebrity that was recognizable everywhere, I'd just crawl under a rock and you know, have someone run over the rock with a car, or something.

~Steve Burns

It eats at me. And if it eats at me, I'm going to make sure it eats at (my team).

~Steve Burns

Please don't make me sound like a crazy hermit, but I don't like crowds or noise.

~Steve Burns

I just don't think it's true that people can't do something else after they've done something that seems so permanent.

~Steve Burns

I'm a micro-celebrity, about as small a celebrity as you can be.

~Steve Burns

If we want parents to be discerning about what children are watching then we need to put stuff in there for them to watch, too.
