

Steve Daines Quotes

*Country, Religious, Grateful, People, Son, Government, America, Believe,
Thinking, Issues, Baby, Roles, Knowing, Needs, Thoughtful, President,
Chicago, Firsts, Years, Running*

I ran for Congress not because I was having a mid-life crisis. I left the private sector because I saw a looming financial crisis that was coming to this country. It's unsustainable.

~Steve Daines

You talk to the farmers, the ranchers, our small community bankers, and boy, one of the No. 1 issues is the regulations coming out of Washington.

~Steve Daines

There's huge opportunities to continue to improve efficiency in the way the government operates and improve the way government provides services to its citizens.

~Steve Daines

With America's role in the world, we have the ability to help protect the freedom of religion around the globe.

~Steve Daines

People only believe what they discover for themselves. We need to have civil discussions, and look at what the facts and the truth are.

~Steve Daines

Religious freedom is foundational for our country, and we must lead on religious freedom as an example in America.

~Steve Daines

I am very grateful for the Catholic Church and its unwavering stance on life. They have been a consistent, uncompromising voice defending life.

~Steve Daines

Of the five rights listed in the First Amendment. - religion, speech, press, assembly, petition - the very first right protected is freely

exercising our religion.

~Steve Daines

To pastors and leaders who serve faithfully, who work to teach and shepherd those who are in your church or religious institution: thank you for all you do.

~Steve Daines

I was a big fan of Ronald Reagan. He was the first president I got to vote for.

~Steve Daines

Knowing how far short I fall of the glory of God - whether it's motives or actions - walking it out is about setting Christ always before me. I'm grateful for the grace of God and His mercies.

~Steve Daines

I am grateful for the men and women who pastor, who lead in churches across our country. Ultimately, their role of loving people and seeing hearts changed is probably the greatest calling.

~Steve Daines

We have had a chance to travel to all 56 counties in this state, and I have had the chance to sit around with cups of coffee and having conversations about what matters to Montanans.

~Steve Daines
