Your brand is the single most important investment you can make in your business

~Steve Forbes

The politicians say 'we' can't afford a tax cut. Maybe we can't afford the politicians.

~Steve Forbes

You make more money selling advice than following it. It's one of the things we count on in the magazine business -- along with the short memory of our readers.

~Steve Forbes

There is something fundamentally unfair about a government that takes away so much of people's money, power, and personal control while telling them that life will be better as a result.

~Steve Forbes

As our federal government has grown too large and too powerful, the real loss has been the freedom of people to govern their own lives and participate fully in the American dream.

~Steve Forbes

People are not going to reelect Barack Obama. But will the new president govern as a real conservative? We're going to have to apply the heat to make sure.

~Steve Forbes

The real cure for what ails our health care system today is less government and more freedom.

~Steve Forbes

The tax code is a monstrosity and there's only one thing to do with it. Scrap it, kill it, drive a stake through its heart, bury it and hope it never

rises again to terrorize the American people.

~Steve Forbes

And it would be fair. Everyone will pay the same tax and it will eliminate tax cheaters and corporate shenanigans.

~Steve Forbes

We must guard against the overreaching hand of big government trying to take away our freedom. And we must always protect the environment in a manner consistent with our values

~Steve Forbes

The flat tax would be so simple, you could fill it out on a post card. A post card that would say, in effect, having a wonderful time; glad most of my money is here.

~Steve Forbes

There's plenty of juice to keep this economy going.

~Steve Forbes

You don't change minds in Washington with sweet reason. You do it to the white light of public opinion

~Steve Forbes

No more turning a blind eye to Chinese spies in our nuclear labs. No more keeping silent about Chinese slave labor camps.

~Steve Forbes

A promise made should be a promise kept.

~Steve Forbes

There's no human censorship at kiosks.

~Steve Forbes

One thing on psychology, which we've always known, is that every investor says they're long-term - and they are until the market takes a hit.

~Steve Forbes

Contrary to the cliché, genuinely nice guys most often finish first or very near it.

~Steve Forbes

The words, 'penalty,' 'restrict' and 'violate' appeared more times in President Clinton's health care reform bill than in his crime bill.

~Steve Forbes

Our failure to properly deal with Germany and Japan early cost the world dearly later on. We dare not make the same mistake with China.

~Steve Forbes

It can't help but knock things down.

~Steve Forbes

If a man breaks a pledge, the public ought to know it.

~Steve Forbes

What you do as president has consequences.

~Steve Forbes

Duarte is a moderate when it comes to civilian control of the military and curbing death squads. On economics, the man is almost a Marxist.

~Steve Forbes

The Chinese government is quickly losing its ideological legitimacy, maintain its rule with force, but cannot draw strength from the ideology of Marx and Mao.
