The future is coming so fast, we can't possibly predict it; we can only learn to respond quickly.

~Steve Kerr

Don't think shoot. Soon as you start thinking you miss.

~Steve Kerr

We didn't do much different against LeBron. We were just more active and more competitive.

~Steve Kerr

Our team, because of our depth and our talent, we were able to do that, and it turned into a special season as a result.

~Steve Kerr

I learned that people everywhere are basically the same and have similar goals that we do. They want health and happiness and the opportunity to provide for their families.

~Steve Kerr

It is an interesting balance in trying to find players to make your team really good and at the same time running a financially sound operation. That is the challenge for every team.

~Steve Kerr

I never ever gave ownership a thought. My thoughts before I retired were coaching and broadcasting.

~Steve Kerr

I've been blessed with an amazing group of guys in my first year, I can't believe how lucky I am.

~Steve Kerr

I want to say congratulations to Cleveland and Coach Blatt. LeBron is

an incredible player.

~Steve Kerr

Guarding LeBron James has to be the hardest job in basketball.

~Steve Kerr

I have always been very comfortable behind a microphone. I love talking about basketball, I love being around people, I love being around the game, the travel and the excitement around the arena.

~Steve Kerr

For them to have the season that they had, for them to have us on the ropes ... Congrats to the Cavs.

~Steve Kerr

We had a lot of luck this year and our guys took advantage. Wow. What a night.
