Successful*

I acknowledge that Hulu's easy accessibility probably keeps some people from pirating. But a respected industry analyst says less than 5% of TV content is being stolen today.

~Steven Levitan

I once called the head of a network a liar. In hindsight, I should have called him an incompetent liar.

~Steven Levitan

I think that people with differing points of view find common ground in 'Modern Family' is very flattering, and I'm appreciative of that.

~Steven Levitan

Sometimes you do have to scare people a little bit: if someone is not acting in the best interest of the show, then maybe you need to scream and yell a little bit, or let them know you're in charge.

~Steven Levitan

I'm a little bit in shock, to tell you the truth.

~Steven Levitan

I believe 'Hollywood' is more like middle America than many people imagine.

~Steven Levitan

I think every time there's a show like 'Modern Family' or 'Will & Grace' that portray gay and lesbian characters and is successful, it just further opens the door.

~Steven Levitan

Twitter is fun - I'm a tech guy, I love anything new, I'm big on all that stuff.

~Steven Levitan

Some estimate Hulu IPO could bring in \$2 billion. What will the content providers get? Zero. What is Hulu without content? An empty jukebox.

~Steven Levitan

But at its core, 90 percent of my job is still sitting down in a room full of people, and breaking stories and that requires virtually no technology.

~Steven Levitan

What about the accusation that Hollywood is trying to advance its liberal agenda? Well, the fact is, while the creative community admittedly leans left, Hollywood has become a corporate town.

~Steven Levitan
