Indias rigid social structure limits intergenerational economic mobility and fosters acceptance of vast wealth disparities.

~Steven Rattner

Thanks to decades of accumulated federal budget deficits and, more significantly, imprudent Medicare and Social Security policies, we've stolen almost \$60 trillion from our children.

~Steven Rattner

Not surprisingly, troubled economic times often beget proselytizers of wacky, extreme ideas.

~Steven Rattner

The weak economy, widening income inequality, gridlock in Congress and a presidential election: Those were perhaps the dominant economic and political themes of 2012.

~Steven Rattner

The highest-income Americans don't need tax-free health insurance, mortgage interest deductions or deferred taxation on retirement funds.

~Steven Rattner

Conservatives brayed that government should stay out of the private sector; liberals bleated for nationalizing the banks.

~Steven Rattner

China has lunged into the 21st century, while India is still lurching toward it.

~Steven Rattner

Most troublesome is the legalization of 'crowd funding,' the ability of start-up companies to raise capital from small investors on the Internet.

~Steven Rattner

The largest number of jobs likely to be created by the JOBS Act will be for lawyers needed to clean up the mess that it will create.

~Steven Rattner

Visits to crowded Indian urban centers unleash sensory assaults: colorful dress and lilting chatter provide a backdrop to every manner of commerce, from small shops to peddlers to beggars.
