

Stuart Rose Quotes

*Believe, Thinking, Mother, Retirement, Successful, Needs, Growth, Leader,
Want, Men, Moving, People, Care, Progress, Chiefs, Fashion, Lasts, Losing,
Hate, Business*

Customers want good value, but they care more than ever how food and clothing products are made.

~Stuart Rose

It's P for Progress not R for Recovery.

~Stuart Rose

We've got a bit of growth a bit earlier than expected.

~Stuart Rose

I think that business leaders today have to be more rounded than they used to be, they have to be completely multi-functional and fast-moving.

~Stuart Rose

I want to please every woman, every time.

~Stuart Rose

I was the chief executive once, I've been there. My recommendation to anybody is don't go backwards.

~Stuart Rose

I'd go mad if I didn't have things to make me laugh.

~Stuart Rose

Was I the best husband? No. And I regret it.

~Stuart Rose

As retail goes through a fundamental shift into the digital world, I believe Ocado's model and the high standards of customer service it provides will see it emerge as a powerful online player.

~Stuart Rose

We believe responsible business can be profitable business

~Stuart Rose

I think fashion is the best value way, the most affordable way in the 21st century, that men and women can express their personality...

~Stuart Rose

There is a responsibility on all companies to look at the quantum of pay and the relationship between the top and the bottom.

~Stuart Rose

I believe in a uniform for work, but why, because we're men, do we have to be ghettoised into grey suits?

~Stuart Rose

When I got married in my twenties, I had a happy marriage and happy kids but at some point in time I let it go off the rails I let it go off the rails.

~Stuart Rose

Ultimately, growth is essential for increasing a company's value.

~Stuart Rose

There's no abhorrence about wearing M&S. We just haven't been delighting the girls.

~Stuart Rose

Our world is moving at an ever-accelerating pace, and with the advent of social media, what happens in New York now can be reported across the globe 60 seconds later.

~Stuart Rose

I don't believe in retirement.

~Stuart Rose
