If you want to do a movie about aliens coming down to Earth nowadays, you need to do it with a smile.

~Sune Rose Wagner

I've always written stuff based on personal experience, but I've always disguised it by the use of characters.

~Sune Rose Wagner

This is the life I live, and this is the stuff I experience. And like any good writer, I should just write about what goes in my life and what goes on around me. So that's what I chose to do.

~Sune Rose Wagner

Unfortunately people sometimes suppress their lust. And it's not only sex. It could be lusting for anything really, anything that's supposedly very bad for you but can be good for you, too.

~Sune Rose Wagner

I probably watch movies more than I actually listen to music, I think.

~Sune Rose Wagner

I don't really watch too many remakes. I saw Scorsese's version of Cape Fear, which was good. That was a good remake.

~Sune Rose Wagner

I like to think that the music is a mixture of personal experiences mixed with photography and movies.

~Sune Rose Wagner

Photography and movies are a much bigger influence on me than music is itself.

~Sune Rose Wagner

I like to get everything done during the early morning hours and the

early part of the day.

~Sune Rose Wagner

I think you go through different phases when you do albums, and I think that they change according to where you are in your life and what you're inspired by at the moment.

~Sune Rose Wagner

I very rarely sit down with a guitar and try to write a song. I usually think about it a lot and then I'll try to re-create what was in my head at the time.

~Sune Rose Wagner

I don't work at night. I'm not very good about working at night. I get tired during the day and I usually like to save my nights to try things out recording.

~Sune Rose Wagner

It's not really a conscious decision to do a quiet album or a noisier album. It's just something that happens, I guess.

~Sune Rose Wagner

I guess my life was in a pretty disorderly fashion, so I think the music came out that way a little bit.

~Sune Rose Wagner

I always put a little bit of restrictions on myself, and I only do it for my creativity.
