My father instilled in me that if you don't see things happening the way you want them to, you get out there and make them happen.

~Susan Powter

The habits that took years to build, do not take a day to change.

~Susan Powter

If you want a higher power, go to the goddamn sun. Just go to the sun - and stop destroying the ozone layer.

~Susan Powter

The more people I meet, the farther out of my own little world I go, the more I see that we are all alike. And there isn't one of us who can afford to pick up the rock in the glass house.

~Susan Powter

There isn't a theologian in the world who can argue with me on this. God has no gender. If that's the case, then everything needs to be rewritten now, right now.

~Susan Powter

Everything, everything, everything! I want to know everything. I want the privilege of being a crone.

~Susan Powter

Hard work - I mean, does anybody use that term anymore? Laziness doesn't fly. It's all in the practice. It does take work and it ain't easy - but man, the rewards!

~Susan Powter

You can be fat and love yourself. You can be fat and have a great damn personality. You can be fat and sew your own clothes. But you can't be fat and healthy.

~Susan Powter

I had to dance topless for two years to make cash to pay my bills and save some money. But it was very enlightening, by the way. I'm talking about light from the gutter.

~Susan Powter

I know the guru route, I know you go sit on a mountain. But screw India. I ain't going there.

~Susan Powter

The more you achieve, the more interest it should spark to go further, because there's so much - and I don't mean monetarily and I don't mean in society. This whole experience of living is so rich!

~Susan Powter

Food = joy ... guilt ... anger ... pain ... nurturing ... friendship ... hatred ... the way you look and feel.... Food = everything you can imagine.

~Susan Powter

Isn't it interesting how men 'leave' their families, but women 'abandon' their children?

~Susan Powter

I'm not a role model to my kids. They're a role model to me.

~Susan Powter

I've been fit and I've been fat, and fit is better.

~Susan Powter

Very few people are original. There's very little original anything out there. Because to be original means you have to stand alone.

~Susan Powter

There's a couple of universal principles in life. One is, don't ever open a restaurant. One out of every two fails.
