The stupid thing about anger is how people hurt you and then you let them keep hurting you by being angry about how they originally hurt you. It's a vicious cycle.

~Susane Colasanti

No one can be everything you want them to be.

~Susane Colasanti

I'd rather be weird and happy than normal and miserable.

~Susane Colasanti

This body is yours. It is your home. The keeper of your soul. The resting place of your spirit. No one can ever take that away.

~Susane Colasanti

It's unbelievable how you can affect someone else so deeply and never know.

~Susane Colasanti

If you see someone being bullied, make it stop. Why is that so hard for us to do?

~Susane Colasanti

My thing is that I'm in love with love. Actually, I'm in love with the possibility of true love. Which could be considered a major problem.

~Susane Colasanti

Sometimes in the midst of all your boy drama, you just need a cupcake.

~Susane Colasanti

But if your boyfriend, out of nowhere and with no advance warning whatsoever, dumps you for no apparent reason, is it really about you? Or is it all him?

~Susane Colasanti

Because if you take a risk, you just might find what you're looking for.

~Susane Colasanti

I want revenge, but I don't want to screw up my karma.

~Susane Colasanti

It's like once everyone decides who you are, you're locked into their version of you and that's it.

~Susane Colasanti

Even in a bad situation, there's always a positive side. Even if you can't see it yet.

~Susane Colasanti

I have to get my life back on track. Order as an antidote to chaos. Calm after the storm.

~Susane Colasanti

I just want to write. It's like once I get those obsessive thoughts out of my head, once they're written down, they're somehow set free and I can move on.

~Susane Colasanti

Love isn't logical, or even our choice. Love chooses us. Sometimes things have to get worse before they get better.

~Susane Colasanti

No one can save me except myself.

~Susane Colasanti

If you have to explain about how something's supposed to feel, it takes away all the magic.

~Susane Colasanti

School would be way more tolerable if everyone wasn't so afraid to be who they really are. And if everyone else would let them.

~Susane Colasanti

Now that I know where this life is going, it's time to decide how I'll get there.

~Susane Colasanti

Just when it seems like life is getting good, something always has to come along and ruin it.

~Susane Colasanti

You can overcome your fears, you can change, you can make life into what you've always wanted it to be. Maybe not tomorrow, but soon. So hang in.

~Susane Colasanti

Maybe it's just hard to see what's right in front of you while you're frantically searching for it.

~Susane Colasanti

We can't help who we love. Love isn't logical, or even our choice. Love chooses us.

~Susane Colasanti

Girls with the beauty-and-brains thing going on are the most intimidating girls in the world.

~Susane Colasanti

Because my life isn't going to wait around while I figure out how to make it work.

~Susane Colasanti

That's the cool thing about having a best friend. They know what your pain feels like already, so you don't have to explain it.

~Susane Colasanti

We're products of our choices.

~Susane Colasanti

I wish emotional bruises healed like physical ones.

~Susane Colasanti

I still love him. And here's the worst part. I want him back. - Ree

~Susane Colasanti

FACTS Fact #1 Mean people suck. Fact #2 Bad things happen to good people. Fact #3 Good doesn't always prevail over evil.

~Susane Colasanti

The only person I can count on is myself. It's up to me to create the life I want. I can't blame my parents or Scott or anyone else for the way things are.

~Susane Colasanti

Things don't get better just because you want them to.

~Susane Colasanti

Just because a person chooses to express themselves in an extreme way doesn't mean they have an extreme personality.

~Susane Colasanti

It's up to me to create the life I want.

~Susane Colasanti

It's interesting how something that comes so easily to one person can be so impossible for someone else.

~Susane Colasanti

But maybe those things are like background noise if you're from here. Maybe you have to experience this as a whole new place to appreciate it like I do.

~Susane Colasanti

We know each other in a way that no one else can. We share a history that makes us permanently connected.

~Susane Colasanti

I want deeper connections with the people around me. I need to reach out more. Because not everyone leaves. Sometimes if you reach out, the person you're trying to reach will be right there waiting.

~Susane Colasanti

but then you realize that this 'whole package' everyone's looking for is unattainable. No one can be everything you want them to be.

~Susane Colasanti

You can't violate someone's trust and expect there to be no consequences.

~Susane Colasanti

When someone rips your heart out, there's nothing you can do to change how you feel about them. You just have to keep feeling that way until it goes away. Until it never does.

~Susane Colasanti

Its so weird how connecting with someone in a different setting can bring out this whole other side of them. Like how certain places inspire us to act in ways we normally wouldn't.

~Susane Colasanti

No one is worth wasting a gorgeous weekend over.

~Susane Colasanti

Maybe but... if being impulsive means ruining other people's lives, then maybe I should just stay the same.

~Susane Colasanti

If I'd stopped believing that my life would eventually get better, I don't think I would have survived high school.

~Susane Colasanti

And yeah, it got better. My stomach eventually went back to normal. I didn't cry every day. But my heart. My heart will always be broken.

~Susane Colasanti

But the thought of moving on from something I never had is depressing.

~Susane Colasanti

How can someone who means so much to a person mean nothing the next day?

~Susane Colasanti

Still hiding and afraid to let go. Waiting for you to find me uncover me and show me the way.

~Susane Colasanti

But the absolute worst was when people asked if I was okay. Because then I had to admit that it was real, it happened, and we weren't together anymore.

~Susane Colasanti

Waiting for my real life to start is no excuse to waste the life I have right now.

~Susane Colasanti

How could something that felt so right actually be so wrong?

~Susane Colasanti

But life's never easy when you need it to be.

~Susane Colasanti

Love is never guaranteed. Love is a risk we take because we hope it will make us happy.

~Susane Colasanti

No two people can see the world in the same way. No matter what you're looking at, no one is seeing it the same way you are.

~Susane Colasanti

I mean, maybe under the surface, somewhere that's hard to see, I've known it had to end for a long time. I just never thought I'd be the one to end it.

~Susane Colasanti

Things fall apart, even when you think they're stronger than anything you could ever imagine.

~Susane Colasanti

Derek's like, "So . . . what do you want to do first?" "I don't know." "Feel like ice cream?" "It's, like, three degrees out." "That's why getting ice cream would be badass."

~Susane Colasanti

All I can do is hope.

~Susane Colasanti

Happiness is not limited. There's enough for everyone.

~Susane Colasanti

My hair is so scary that if you saw it walking down the street, you'd cross to the other side. This humidity is not helping. It's just an excuse for my hair to let its frizz flag fly.

~Susane Colasanti

It's interesting how you can know someone for a long time, and then one day you just see them in this whole different way.

~Susane Colasanti

Your life can end in a flash before you even have time to know it's over. There is no safe. There is no control.

~Susane Colasanti

I've already lived through the worst time of my life. So I know that whatever happens to me from now on, nothing will ever be as bad as it was back then. That makes me happy.

~Susane Colasanti

Standing in the line at the food court, I try to be myself. But I forget how I usually stand when I'm myself.

~Susane Colasanti

There should be some kind of radar that lets you know when your soul mate is nearby.

~Susane Colasanti

That's all I need. To find a soul mate to share my life with. To have a love so epic it will never die.

~Susane Colasanti

I have no interest in maintaining a relationship with someone who didn't love me enough to stick around.

~Susane Colasanti

It's just like John Mayer says in "Slow Dancing in a Burning Room".
When it's this bad, you have to get out or you'll get burned.

~Susane Colasanti

All I know is, if we don't eat soon I'm going to chew off a limb. And I
can't guarantee it'll be mine.

~Susane Colasanti

I deserve to be happy. I'm sad it took me so long to get that. But I get it
now.

~Susane Colasanti

Because I still love him. You can't just turn love off. You still feel it.

~Susane Colasanti

There are some things I can't control, & that's just the way it is.

~Susane Colasanti

I want to be the kind of person who can do that. Move on and forgive
people and be healthy and happy. It seems like an easy thing to do in
my head. But it's not so easy when you try it in real life.

~Susane Colasanti

Everyone at his table laughs. They know I can hear them. They just
don't care.

~Susane Colasanti

She's not going to let go until she sees for herself that there's nothing
left to hold on to.

~Susane Colasanti

It's weird how time can change something you thought would always

stay the same.

~Susane Colasanti

I have a theory that the answers to all of life's major questions can be found in a John Mayer song.

~Susane Colasanti

You'll get through this. And I know it's impossible to believe right now, but it gets better. Trust me.

~Susane Colasanti

There's this total manwhore phenomenon happening, where even the geeks are player now. It's like Manhattan is this giant playground and guys want to keep playing forever.
