The bass player's function, along with the drums, is to be the engine that drives the car... everything else is merely colours.

~Suzi Quatro

Guitar is for the head, drums are for the chest, but bass gets you in the groin

~Suzi Quatro

I am flattered to have been the woman to have opened the door for female rockers to be accepted into the mainly male industry.

~Suzi Quatro

After moving to England I did some recording and eventually formed an English band, this was together for quite a few years with only a keyboard replacement. The band had no name, just my name.

~Suzi Quatro

I read and write classical piano and percussion, also guitar.

~Suzi Quatro

A bass should sound like a bass with the thump of the finger against the wood, like it began with stand up.

Nothing heals like love and time

~Suzi Quatro

Len and I had parted musical ways and this was one of the problems.

~Suzi Quatro

The bass and drums are the engine, and the key to good bass playing is it's not what you play, it's what you DON'T play that counts. You leave the spaces, they're more important than anything.

~Suzi Quatro

I feel that whatever you put out is what you'll get back. I always put out, 'hey, hi, I'm a bass player, no bullshit,' and that's what I got back. I got the respect.

~Suzi Quatro

As far as more recognition goes, I am happy with the amount of love and respect I have received from other artists and the public. Of course, I would love more, and think I deserve it.

~Suzi Quatro

I've always done a bass and drum solo that lasts about 10 minutes. The main thing is to use it only when you need to.

~Suzi Quatro

I also have a big love of classical music played on piano because this is the environment I grew up in my brother being one of the great masters in this world.

~Suzi Quatro

Anyone who has had their heart broken learns to keep a little safety area. Even now in my relationship, I have something I can call my own in case something goes wrong. You need a place to retreat to.

~Suzi Quatro

I am busy touring all over Europe, Japan, and Australia.

~Suzi Quatro

When you are famous, you never can be sure why somebody's being nice. You just have to develop a very good sixth sense. I call it my bullshit detector.

~Suzi Quatro

Down in devil gate drive. I led the angel pack on the road to sin. Knock down the gates, let me in.

~Suzi Quatro

I've always maintained that you can be sexy with your clothes on. Sexier maybe.

~Suzi Quatro

I do think fame can distort reality. I've always felt that.

~Suzi Quatro

I don't know, I don't pay attention to critics anyway. They either like me or they don't, you know what I mean? I am too long in the tooth to worry about that.

~Suzi Quatro

Love is the best part of life

~Suzi Quatro

The hardest instruments for women to play are bass and drums. Drums because of the physicality needed and bass just because its heavy and it's not an easy instrument to play.

~Suzi Quatro

I do love acting. It's my second love and I would love to do more.

~Suzi Quatro

I've seen it [Australia] go from a lot of small towns to big towns, but I think it has found its identity in all this time... it's a very special country, I could easily live here.

~Suzi Quatro

I have recorded nine tracks for a new album which I financed myself and am looking for a home for.

~Suzi Quatro

Rock and roll mainly but I can play passable jazz also.

~Suzi Quatro

Shame on those artists who aren't proud of their achievements.
