A smart man can't beat a hardworking man and a hard working man can't beat a happy working man.

~Taeyang

I don't want to achieve my dream. I just want to pursue my dream until I die.

~Taeyang

Without even knowing, a person goes around scattering their heart. That's why if you're with a smiling person, you end up smiling with them.

~Taeyang

I think I have changed a lot. People might feel a little unfamiliar with the new me, but this is just who I am. I realised that I just want to be free.

~Taeyang

Big Bang is what made me who I am today. With them, I laugh the most, and I feel like I can achieve things

~Taeyang

I really like my eyes, nose, and lips. I especially like my nose. I really like my lips too. I think my lips are sexy.

~Taeyang

Rather than becoming the best, I want to become a singer with meaning.

~Taeyang

Every time I work on something, fun comes first. Whatever it is I think if you have fun doing it, the other things will follow. Albums sales or ranking on charts aren't important.

~Taeyang

We've seen each other fight like heck, and seen each other absolutely humiliated...and we've ever held hands....but we still don't know each others names.

~Taeyang

Whether it's a designer or a musician, I think the most important thing for people who express things are to be unique. There should be something unique only to them.

~Taeyang

TVXQ has always chased after different music styles, and their members all have very strong talents.

~Taeyang

Seeing TVXQ's music and stage makes me feel touched, and they're a very good influence on us.

~Taeyang

I'm certain that I will be able to do music that's more like me as I get to know more about myself. I think that is an artist's fate. You have to keep trying to find your own world and express it.

~Taeyang

TVXQ is our respected sunbae. Their vocal skills are strong, and we've studied much of their performances and choreography.
