Kathy Burgess describes [Hillary] Clinton as fun and an all-around great person but admits it doesn't come through well.

~Tamara Keith

Judy Price Osgood is a longtime friend of Clinton's, and she says she meets people regularly who say they don't like [Hillary] Clinton.

~Tamara Keith

Aside from Donald Trump, polls find [Hillary] Clinton to be the least-liked presidential candidate in recent history.

~Tamara Keith

When a trust is betrayed, that has to be rebuilt.

~Tamara Keith

At the Republican convention, there were lots of words used to describe Hillary Clinton, but warm, funny and caring weren't among them.

~Tamara Keith

The theft potentially of data does create this image of sort of cloak and dagger politics that we sort of imagine when we think of underhanded politics.

~Tamara Keith

The difference in the way Hillary Clinton and Donald Trump talk about the middle class is stark. For Clinton, it's a story of hope. For Trump, it is a story of loss.

~Tamara Keith

People don't change. People are who they are.

~Tamara Keith

[Hillary Clinton] needs to accomplish a lot. She also has to provide a

unifying theme for all the things she wants to do.

~Tamara Keith

President Trump is a brand. President Trump is more popular than Republicans in Congress among Republicans.

~Tamara Keith

Someone cold, politically calculating with no moral compass who can't be trusted. That's what polling and discussions with voters indicate [about Hillary Clinton].

~Tamara Keith

[Judy Price] Osgood was among about half a dozen [Hillary] Clinton friends who I sat down with more than a year ago before she announced her candidacy.
