Blacks who have not succumbed to the victim culture have been, are and will be doing quite well - all on their own, without handouts, affirmative action and other patronizing measures

~Tammy Bruce

Unfortunately, what many people forget is that judges are just lawyers in robes.

~Tammy Bruce

Believing a person deserves a defence is not the same as doing anything in your power to get him off scot-free.

~Tammy Bruce

Gone are the days when reality fed the feminist movement.

~Tammy Bruce

(A)nything not acting as a propaganda arm for the Democrats or the Leftist agenda is considered conservative these days.

~Tammy Bruce

In politics, the reaction to a controversy is very often more enlightening and important than the details of the allegations themselves.

~Tammy Bruce

(T)he Left has moved so far to the left that this pro-choice, lesbian feminist is now considered a Right-Winger!

~Tammy Bruce

One of the biggest problems with the modern feminist movement is its failure to bring men along with us.

~Tammy Bruce

As you might have gathered, I prefer the honest, decent and genuinely accepting friends and family I have in the conservative world.

~Tammy Bruce

The Left Elite only pretend to be concerned about what's best for everyone else because it is the most effective way to manipulate you and your children into their abyss.

~Tammy Bruce

For the gay establishment, the death of right and wrong began when gaining civil rights ceased to be enough.

~Tammy Bruce

Trials are no longer about freeing the innocent, punishing the guilty, and making restitution to the injured. They have devolved into a contest over who will win.

~Tammy Bruce

When your victimhood is your empowerment, recovery is the enemy, and working on 'individual change' becomes counterproductive, even dangerous to your identity.

~Tammy Bruce

One of the goals of the Feminist Elite is to reinforce to women the idea that men are obsolete.

~Tammy Bruce

From the subtle to the extreme, our culture and our values are under unrelenting attack from the media.

~Tammy Bruce

For women who turn to welfare, Big Brother becomes Husband.

~Tammy Bruce

The United States has grown into a remarkable nation specifically because of our independent spirit and free market.

~Tammy Bruce

Remember, social progress only happens when those in society's privileged classes choose to give up their status.

~Tammy Bruce

But revealing yourself as ignorant apparently gives one extraordinary credibility on the left.

~Tammy Bruce

With every kind of birth control available in the world, abortion is not something to be proud of. If you need an abortion, you've failed.

~Tammy Bruce

Yes, we have the freedom to do what we please, but it only works because we don't do everything we might please - we should exercise some degree of personal, and corporate, responsibility.

~Tammy Bruce

Republicans have never been good at public relations.

~Tammy Bruce

How one stands up to any sort of allegation in the heat of political battle reveals the strength and nature of your character. It's one of the reasons we have campaigns.

~Tammy Bruce

No family is perfect, and that's true. None of us are.

~Tammy Bruce

I do believe that Christians - I don't identify as a Christian. I believe in God.

~Tammy Bruce

Moving people into reality TV is a mistake.

~Tammy Bruce

For those whose goal it is to twist wrong into right, a good starting point is to convince young people that the vulgar is beautiful.

~Tammy Bruce

No matter how noble the original intentions, the seductions of power can turn any movement from one seeking equal rights to one that would deny them to others.

~Tammy Bruce

Horrible things happen when you run out of other people's money, and life and work becomes a burden when there is no reward for your effort.
