There are those who see a problem and there are those who will not give up until they find a solution - finding a solution is what the Full Stop Foundation is about

~Tara Moss

Our sex need not primarily define who we are, what we are capable of, or what we can be expected to enjoy or engage in.

~Tara Moss

We can't leave the internet to the bullies. You deserve to speak out and be heard just as much as the next man. Don't let bullies silence you. Support others, and make sure you look after yourself.

~Tara Moss

In *Speaking Out* I do my best to answer those questions I was asked and more, and I provide strategies for how to speak out and keep on speaking out without burning out.

~Tara Moss

Don't write it right, just write it, and then make it right later.

~Tara Moss

Give yourself the mental freedom to enjoy the process, because the process of writing is a long one.

~Tara Moss

The reflex of fear was soon replaced with another, more useful emotion. Rage.
