The state of radio is not great. It's like playing the lottery. The chances of hitting are mind boggling slim.

~Teddy Thompson

I come from a place where there's a lot of musical families.

~Teddy Thompson

I'm never worried about being upstaged. I love to have the best, most individual people come in and see if we hit on something.

~Teddy Thompson

For a long time I was trying to be poppier and younger. I didn't want to be on public radio or do any of that stuff for older people. Then I realized that that is exactly what I listen to.

~Teddy Thompson

I don't try to stop myself from becoming too personal. I just put it all out there. If anything, I try to remind myself to be as honest as possible all the time. Why hold back?

~Teddy Thompson

Country music was the music I was brought up on. It's the music that's closest to my heart and the music that speaks to me the most, and it's always been a big influence on my own songwriting.

~Teddy Thompson

Everyone's different, but it was fun for me to work with Garth Hudson. He's from 'The Band.' They are a massive influence, that was a big thrill. He's completely out of his mind.

~Teddy Thompson

I do think it's probably true to a certain extent that you tend to sing music that fits your voice. If you're Lou Reed, you're unlikely to become a country singer.

~Teddy Thompson

Even for the people in the business who are real music lovers it's really about putting things in the right boxes, and my style doesn't fit into a box.

~Teddy Thompson

The songs are definitely all about me. I am my favourite subject.
