Everybody has their own story, everybody has their own journey.

~Thalia

I've always been able to transform happiness and pain and sorrow and tears into positive energy.

~Thalia

I think my life in general, like that of any human being, has highs and lows, has moments of great light and moments of great darkness.

~Thalia

My little boy loves mambo, and my daughter, besides Justin Bieber, likes bachata - in our house, we're always singing.

~Thalia

Friendship is something that is cultivated.

~Thalia

I don't smoke, drink. I exercise, drink lots of water, eat well, don't sun. Me cuido. There's a lot of things that I want to do.

~Thalia

There's some anxiety the 30 minutes before the show starts. But once you step on stage and face the people, everything goes away, and you have fun and enjoy the audience.

~Thalia

I'm more relaxed. I know I have difficulties with some verbs. But if they get me, they get me. And if they don't understand me, they don't understand me.

~Thalia

I've been starting in new places year after year after year. It's just like when I went to Greece or the Philippines. I love when people think I'm a

new artist. It's a chance to start over.

~Thalia

People were very passionate and over the top about showing me their love and affection and they memorized my songs in Spanish.

~Thalia

This is the fantasy of every woman - to hold at our feet servile and tame slaves, like in Roman times. And the worse we treat them, the more passionate they become.

~Thalia

I love to know that in all parts of the world, people want me. I need the attention.

~Thalia

I heard that I have three ribs, that I have more surgeries than Cher - whatever they say, they say; I know who I am.

~Thalia

Having children is a huge responsibility, and I just don't want to hand them off to a nanny or my mom to take care of them.

~Thalia

As a singer, it's basic to preserve what I like to do, which is music, and also to remember my cradlesongs in Spanish.

~Thalia

Family matters should be that and stay in the family.

~Thalia

Oh, SCULLION? You're calling ME a scullion? What the HECK is a scullion?
