I know I often get a job because of how I look. I hope that I keep the job because of how I act.

~Theo James

I think you can tell when a New York show isn't shot in the city. It's so iconic and has such a specific energy.

~Theo James

What I like about the 'Underworld' thing is that it's a mix of cool genres, as well as creating its own message.

~Theo James

I was in the school plays, I did a lot of music. I carried on through university for short films and loads of plays.

~Theo James

I've got two brothers and two sisters, so there's five of us and we're all very close, which is cool.

~Theo James

I know there's Brooklyn and all the boroughs, but Manhattan specifically is so condensed that the energy is very vibrant. Everywhere you look there is something happening.

~Theo James

What is interesting, as well, is how much power homicide detectives have and how much respect. They are kind of rock stars, especially in New York. There are not that many of them.

~Theo James

I've always been freaked out in deep open water if there's a potential of

sharks around.

~Theo James

To me, the difference between New York and London is that things are boring and staid in London.

~Theo James

I saw 'Captain America' in 3D. It's cool. I liked the beginning. It's a really good setup.
