It's critical that young people start flexing their creative muscles in order to take on the world's most complex challenges.

~Tim Brown

Part of maintaining a thriving creative culture is giving people time and permission to play.

~Tim Brown

Design is all about learning from doing, that's how we evolve to the best solution.

~Tim Brown

Build bridges of insight through empathy, see the world through the eyes of others, understand the world through their experiences, and feel the world through their emotions.

~Tim Brown

Good design successfully manages the tensions between user needs, technology feasibility, and business viability.

~Tim Brown

Optimism requires confidence, and confidence is built on trust. And trust, as we know, flows in both directions.

~Tim Brown

It's not an 'either/or,' it's an 'and.' You can be serious and play.

~Tim Brown

We are at a critical point where rapid change is forcing us to look not just to new ways of solving problems but to new problems to solve.

~Tim Brown

Thinking like a designer can transform the way you develop products services, processes and even strategy

~Tim Brown

Where you innovate, how you innovate, and what you innovate are design problems.

~Tim Brown

Rather than thinking to build, build to think.

~Tim Brown

Physical and psychological spaces of an organization work in tandem to define the effectiveness of the people within it
