*Bullying, Being Bullied, Behaviour, Winning, Issues, Diagnosis, Being Yourself,  
Commitment, Real, Addresses, Stress, Managers, Effectiveness, Hate,  
Accountability, Bullied, Outcomes, Tunnels, Successful, Incompetence*

Nothing can prepare you for living or working with a sociopathic serial bully. It is the most devastating, draining, misunderstood, and ultimately futile experience imaginable.

~Tim Field

Never be bullied into silence. Never allow yourself to be made a victim.

~Tim Field

Bullies thrive wherever authority is weak

~Tim Field

The best indicator of a sociopath serial bully is not a clinical diagnosis but the trail of devastation and destruction of lives and livelihoods surrounding this individual throughout their life.

~Tim Field

Today's workplace has become heartless and soulless. Employees are seen as units of labour, automatons, functionaries, objects for achieving designated tasks, and as costs to be minimised.

~Tim Field

Being bullied by a serial bully is equivalent to being stalked or being battered by a partner or being abused as a child and should be accorded the same gravity.

~Tim Field

Most organisations have a serial bully. It never ceases to amaze me how one person's divisive dysfunctional behaviour can permeate the entire organisation like a cancer.

~Tim Field

Bullying consists of the least competent most aggressive employee projecting their incompetence on to the least aggressive most competent employee and winning.

~Tim Field

The vehemence with which a person denies the existence of the serial bully is directly proportional to the congruence of the person's behaviour with that of the serial bully

~Tim Field

Any anti-bullying scheme, initiative or policy which fails to mention accountability for the bullies is likely to meet with little, and often no, success

~Tim Field

Only the best are bullied.

~Tim Field

I just want the bullying to stop. That is all I ever wanted. I used to love going to school. Now I hate it.

~Tim Field

Until there's a public commitment, and action to back that commitment, a policy is only words on paper.

~Tim Field

The challenge of being a manager is to get the best out of everybody, not just the few who are clones of yourself.

~Tim Field
