It's changed throughout the years, but at one time I was a really big bubble gum ice cream fan. I'd spit the bubble gum pieces in a cup and then collect them.

~Timothy Olyphant

I punch a lot of guys on set. It's much easier than in real life as your hands don't hurt afterwards. The key is that you miss.

~Timothy Olyphant

It's easy to be quick on the draw when no one has got real bullets.

~Timothy Olyphant

Sometimes, people aren't as consciously aware of their decisions as they should be.

~Timothy Olyphant

I'm attracted to roles that are unpredictable, and if I can get my hands on something like that, I'm thrilled. I like performances where you don't know what's coming, moment to moment.

~Timothy Olyphant

As the saying goes, Bruce Jenner is a millionaire, and Mark Spitz is a dentist. It's the wrong sport.

~Timothy Olyphant

Being an actor: that's a pretty big net. That's a big playing field. The Screen Actors' Guild is filled with many, many, many, many people and vastly different careers.

~Timothy Olyphant

What am I going to wear to the Emmys? Something with a tie.

~Timothy Olyphant

I've always sort of admired and respected one's ability to be

comfortable with other people's discomfort or, you know, their being comfortable making other people uncomfortable.

~Timothy Olyphant

Like any good parent you are trying to get the kid in a position where he is stronger and more powerful, and able to achieve things that you couldn't.

~Timothy Olyphant

Um, accidents happen. Especially if there's a co-star that you're not that fond of - you might 'accidentally' deck him. But no, I'm a professional. I'm just saying that can happen.

~Timothy Olyphant

Larry Kasdan has made some of my favorite movies of all time so just to be working with him was a pleasure. Now that I have, I not only respect his work but I just love and respect him as a person.

~Timothy Olyphant

I didn't inherit any great success and the problems that came with it, and yet I was able to keep working and supporting myself and later a family. I'm crazy fortunate.

~Timothy Olyphant

If Martin Scorsese calls, I am available. And then there the ones, well, you can just run down the list - any of those Oscar-nominated films, they have amazing directors across the board.

~Timothy Olyphant

Sometimes in life if you wanna do something good, you gotta do something bad.

~Timothy Olyphant

You know, what a producer does is one of the great mysteries in life, so

anyone can be one.

~Timothy Olyphant

I'm not looking for answers when I show up to the set. I'm just asking the questions, over and over.

~Timothy Olyphant

I've been working for a long time and I've just really been allowed to work, with very little of the baggage and the pressures that can come with my job.

~Timothy Olyphant

I like my job. That's become very clear to me. I know how to pretend to do things that I otherwise didn't know how to do.

~Timothy Olyphant

If I were to direct an episode, then there would be no one for me to blame, and that's not any fun. It's more about sitting in the back seat and trying to drive.

~Timothy Olyphant

In my mind, I'm hilarious, so I would love to do some comedy. But, I'm not exactly sure my perspective is a healthy one.

~Timothy Olyphant

Kids on the set tend to be a pain, and if they're not, their parents are.

~Timothy Olyphant

I think at this point in my life, I'd like to play more good guys than bad guys.

~Timothy Olyphant

Usually, in romantic comedies, you end up sacrificing a great deal of the complexity - you know, just two attractive people and a good

soundtrack.

~Timothy Olyphant

It's always fun to play cops and robbers.

~Timothy Olyphant

My roles don't centre around drugs at all! Shadiness is different - it's drama. We're making movies! You've gotta have conflict.

~Timothy Olyphant

People love to be scared. I guess it's a primal deal.

~Timothy Olyphant

On 'Justified,' we're driving all around Southern California trying to find a location that we can call Kentucky.

~Timothy Olyphant

You're never quite sure, when you first get something if you really have a sense of what an opportunity it is.
