I've learned to love my brown eyes.

~Tinashe

If you're a creative person, what inspires you is always changing; it's always shifting.

~Tinashe

Like anything, you just need to stay true to who you are and hope that social constructs don't get in the way of accomplishing your goals.

~Tinashe

I want people to know that I'm a force to be reckoned with.

~Tinashe

I'm the kind of person who doesn't wait for opportunities to fall from the sky.

~Tinashe

One tip is to try and give your hair some time to relax. Don't over wash or over dry it.

~Tinashe

I'll usually run an ice-cube over my skin to close all the pores. That's pretty much my daily routine.

~Tinashe

Hopefully with a woman President the double standard will slowly begin to wane.

~Tinashe

I think that sexism existents everywhere.

~Tinashe

I like people who don't take themselves too seriously.

~Tinashe

Keep your brow game on point and always pack a lip gloss.

~Tinashe

My routine actually stays pretty simple and consistent. Every morning I use the X-Out Wash-In Treatment with warm water in the shower. I towel dry my face, apply a moisturizer-sunscreen, and go!

~Tinashe

I actually do a lot of Pilates and try to hike every day that I'm home. Also, I dance SO much in my shows and at rehearsals!

~Tinashe

I listen to a lot of twerk anthems.

~Tinashe

My hope is that no matter your mood there is [on a Joyride album] a song on there that speaks to you.

~Tinashe

I have to say I've been pretty lucky in that my French fry indulgences don't really affect my skin. I keep a stable routine.
