The films I liked were European films - Federico Fellini, Michelangelo Antonioni, François Truffaut.

~Tobe Hooper

I don't believe in using too much graphic violence, although I've done it. It's better to be suggestive and to allow the viewer to fill in the blanks in their minds.

~Tobe Hooper

Law students have taken over Hollywood. To them it's all about making money. They know people want to see what they've seen before. Also, remakes are places to showcase the new stars of tomorrow

~Tobe Hooper

You can't get away, you can't escape. You'll jump through a plate-glass window several times and end up being right back in the spider's web.

~Tobe Hooper

I think the Chainsaw remake is very good and captures the spirit of the original film. It's true to the tone of the original, to the point that it's almost a companion piece

~Tobe Hooper

If one sees the American Nightmare first and Chainsaw after that, you'll see it in a different kind of light

~Tobe Hooper

I love music and I enjoy creating sounds. I got into making music when I was a child, starting with the spoons and the koto before moving onto the piano.

~Tobe Hooper

No matter where you're going it's the wrong place

~Tobe Hooper

The original Return of the Living Dead, I was attached to direct it, and I wrote the story. Production was delayed. In the meantime I went to London to do Lifeforce.

~Tobe Hooper

The kids are really smart. They are sharp and they're not yet bent over by the system. I think there's a wonderful intelligence in today's youth, and it's a part of growing up.

~Tobe Hooper

You need an R rating because without one, you can't advertise and the film won't get shown

~Tobe Hooper

The influences in my life were all kind of politically, socially implanted. And then there was Watergate.

~Tobe Hooper

I had worked so hard for so long that I developed a speech impediment. It happens when I get tired.
