

Tod Goldberg Quotes

*Writing, Thinking, Book, Teaching, Real, Jobs, Ideas, Museums, Hero, Couple,
Giving, Guy, Philosophy, Law, Different, Coffee, Mistake, Ego, Blood, Airports*

I think, generally, the flawed anti-hero is much more interesting than the normal hero, and that's really what we're talking about here as it relates to outlaws or renegades.

~Tod Goldberg

Sam took another sip of the pruno. It went down smoother this time, possibly because he no longer had feeling in his extremities.

~Tod Goldberg

And there are rules for crime fiction. Or if not rules, at least expectations and you have to give the audience what it wants.

~Tod Goldberg

Particularly with MFA students, who have so much invested - literally and figuratively - I feel like honest criticism is something they're owed. It's not going to be easier in the real world, surely.

~Tod Goldberg
