

# Todd Akin Quotes

*Government, People, Self, America, Believe, I Believe, Years, Heart, May,  
Useless, Peaceful, Pro Life, Track, Neglect, Privilege, Catholic, Taxes,  
Branches, Political, Earthquakes*

Now, an embryo may seem like some scientific or laboratory term, but, in fact, the embryo contains the unique information that defines a person.

~Todd Akin

The Supreme Court and courts in general have been usurping the role of the legislative branch of government.

~Todd Akin

At the heart of liberalism really is a hatred for God and a belief that government should replace God.

~Todd Akin

Taiwan is a budding democracy, and the people have participated in multi-party democratic elections since 1996.

~Todd Akin

The advent of self-government for the Iraqi people is a watershed moment in their history.

~Todd Akin

I oppose any attempt to grant homosexual unions the same legal privileges that civil government affords to traditional marriage and family life.

~Todd Akin

My base will show up in earthquakes.

~Todd Akin

I oppose the attempts of homosexual activists to treat homosexual activity as a civil right to be protected and promoted by the government.

~Todd Akin

We have a long heritage of freedom that defines America. We believe there is a Creator who blessed us with life, liberty and the pursuit of happiness.

~Todd Akin

Just because somebody makes a mistake doesn't make them useless.

~Todd Akin

I may not be the favourite candidate of some people within the Republican establishment, but the voters made a decision.

~Todd Akin

America has got the equivalent of stage three cancer of socialism because the federal government is tampering in all kinds of stuff it has no business tampering in.

~Todd Akin

Self-ruled Taiwan cannot be expected to accept such an affront to the legitimacy of its government and the self-determination of the Taiwanese people.

~Todd Akin

I will work with anyone that wants to get America back on track and make sure that the government is the servant and no longer the master.

~Todd Akin

I'm standing for real freedom.

~Todd Akin

I'm a dad and that's pretty important.

~Todd Akin

More freedom means more jobs... less government and less taxes.

~Todd Akin

**Social Security is a tax.**

~Todd Akin

**You know, don't tell anybody I'm a jail bird, you know, but there were a bunch of us that were years ago involved in the pro-life movement.**

~Todd Akin

**I am deeply concerned about America.**

~Todd Akin

**Just dying should not be a reason for taxes.**

~Todd Akin

**It is an essential tenet of our whole representative form of government, the idea that there should not be some tyranny which makes it so nobody can even have a chance to vote.**

~Todd Akin

**Now, Social Security through the years, for many many people, has been a terrible investment. It's really a tax, that's all it is. Social Security is a tax.**

~Todd Akin

**By contrast, China is a repressive regime that denies its citizens the essential freedoms of religion, political dissent and representative self-government.**

~Todd Akin

**The Holy Father held a special place in the hearts of more than 1 billion Catholics worldwide.**

~Todd Akin

In the 1990s, human intelligence gathering was seriously neglected.

~Todd Akin

I was involved in some peaceful protests.

~Todd Akin

As I said, I believe life starts at conception.

~Todd Akin

I don't know the future. I didn't come here to tell you how this is going to end. I came here to tell you how it's going to begin.

~Todd Akin

I stand up for the things I believe in.

~Todd Akin

Anybody who knows something about the history of the human race knows that there is no civilization which has condoned homosexual marriage widely and openly that has long survived.

~Todd Akin
