~Tom Daschle

Diplomacy has been exhausted .. Continued instability in the Balkans threatens important U.S. national interests,.

~Tom Daschle

I think we are isolating ourselves, and in so isolating ourselves, I think we're minimizing ourselves, I don't think we are taken as seriously today as we were a few years ago.

~Tom Daschle

While endangering one of the most pristine areas in the world, drilling in the Arctic National Wildlife Refuge would do nothing to make our country more energy independent.

~Tom Daschle

There may not be much difference between Democrats and Republicans anymore.

~Tom Daschle

President Bush has said that the economy is growing, that there are jobs out there. But you know, it's a long commute to China to get those jobs.

~Tom Daschle

We will also never bring up the permanent tax cut the president is advocating.

~Tom Daschle

Senators, like everyone else, want to feel a part of this decision-making process. They want to feel included.

~Tom Daschle

People were concerned about national security, and that precluded us from having the opportunity to break through on the issues that we cared most about - the economy, education and health care.

~Tom Daschle

America has lost an icon. Ronald Reagan's leadership will inspire Americans for generations to come. His patriotism and devotion to our country will never be forgotten.

~Tom Daschle

If journalism is the first draft of history, then the Internet simply has provided a new means for delivering that draft far and wide very quickly.
