Kofi Annan's kangaroo court [is] a clear and present danger to the war on terror and to Americans fighting it all over the world.

~Tom DeLay

The best that can be said about embryonic stem cell research is that it is scientific exploration into the potential benefits of killing human beings.

~Tom DeLay

My friends, there is no Palestinian-Israeli conflict. There is only the global war on terrorism.

~Tom DeLay

The EPA, the Gestapo of government, pure and simply has been one of the major claw-hooks that the government maintains on the backs of our constituents.

~Tom DeLay

I don't believe there is a separation of church and state. I think the Constitution is very clear. The only separation is that there will not be a government church.

~Tom DeLay

It's the arrogance of man to think that man can change the climate of the world. Only nature can change the climate. A volcano, for instance.

~Tom DeLay

A woman can take care of the family. It takes a man to provide structure, to provide stability.

~Tom DeLay

I am not a federal employee. I am a constitutional officer. My job is the Constitution of the United States, I am not a government employee. I am in the Constitution.

~Tom DeLay

Our school systems teach our children that they are nothing but glorified apes who have evolutionized out of some primordial soup of mud, by teaching evolution as fact.

~Tom DeLay

Nothing is more important in the face of a war than cutting taxes.

~Tom DeLay

It is not the principled partisan, however obnoxious he may seem to his opponents, who degrades our public debate, but the preening, self-styled statesman who elevates compromise to a first principle.

~Tom DeLay

You know, the Democrats want to balance the budget by raising spending and raising taxes. The Soviet Union had a balanced budget.

~Tom DeLay
