You shouldn't face discrimination because of your sexual orientation. That should be illegal.

~Tom Gjelten

Many immigrant groups have faced hostility. The Irish did in their time. Jews did. Italians did - and now, Muslim immigrants.

~Tom Gjelten

Fidel Castro is one of the most inspiring leaders of the 20th century.

~Tom Gjelten

The country has already become multicultural. Given immigration trends, it will only grow more diverse, and these new Americans want to share in their country's identity.

~Tom Gjelten

And the pressure to clarify what exactly is happening to Christians and other minorities in the Middle East is certain to intensify in the New Year.

~Tom Gjelten

ISIS goes after any group that deviates from its extreme ideology, dissident Muslims, for example, or the Yazidis who practice an ancient religion distinct from both Islam and Christianity.

~Tom Gjelten

Donald Trump seems to prefer people he sees as being on his side.

~Tom Gjelten

Being out of the mainstream is entirely consistent with the way Donald Trump is approaching his presidency.

~Tom Gjelten

As his country crumbled around him, Fidel Castro's stature diminished abroad and at home.

~Tom Gjelten

They don't want to feed an ISIS narrative that there is a religious war between Islam and the Christian West, plus genocide is carefully defined under international law.

~Tom Gjelten

Fidel Castro was loved and hated passionately.
