If we are serious about combating the childhood obesity epidemic and improving child nutrition, then everyone must chip in -- parents, schools, and yes even Congress.

~Tom Harkin

America's health care system is in crisis precisely because we systematically neglect wellness and prevention.

~Tom Harkin

Stem cell research holds enormous promise for easing human suffering, and federal support is critical to its success.

~Tom Harkin

You [the Gallaudet students] have brought the deaf community together.... You are my heroes.

~Tom Harkin

There is no such thing as a pro-nuclear environmentalist.

~Tom Harkin

The President must stop gambling with taxpayers' money and get the country back on the path of fiscal sanity.

~Tom Harkin

The Gulf War was like teenage sex. We got in too soon and out too soon.

~Tom Harkin

While President Bush's tax give-aways for the rich are pushing us further into debt, he compensates by increasing the out-of-pocket costs to our veterans.

~Tom Harkin

I've always been for immigration reform; in 2007 I just didn't feel it had

enough protections.

~Tom Harkin

Prions are highly indestructible.

~Tom Harkin

Politics is like driving. To go backward put it in R. To go forward put it in D.

~Tom Harkin

Let's face it, in America today we don't have a health care system, we have a sick care system.

~Tom Harkin

That signal's come and gone a lot in my life-time, that prairie progressivism died . I think prairie progressivism is still there. Every once in a while, odd things take place.

~Tom Harkin

When I campaigned, I'd let them throw a punch, but by gosh, I'd throw two back. I always said, the first rule in politics is never defend, always attack. I still believe that.
