There was a time I could have been mistaken for Burt Reynolds. I had a moustache and so did he. But he was the number one star in the world, so there wasn't really much confusion

~Tom Selleck

It is scary for an actor when you get hired as a lead. No matter what the plot is, it is your job to do something interesting enough to make them want to get inside the lead character's head.

~Tom Selleck

Few of us are as good as we think we are; none of us are as good as we can be.

~Tom Selleck

Unless you treat failure as part of the journey, you're never going to get anywhere.

~Tom Selleck

It's not that conservatives don't care. We do. We just have different answers than liberals do. It's a difference of the mind, not of the heart.

~Tom Selleck

My mustache gets so many questions he has his own agen now.

~Tom Selleck

Life isn't fair, but you can be.

~Tom Selleck

We judge ourselves by our good intentions, but we're judged by our last word.

~Tom Selleck

Risk is the price you pay for opportunity.

~Tom Selleck

I've never reacted well to other people telling me what to do

~Tom Selleck

I had a strong, really good upbringing, not puritanical

~Tom Selleck

At my age, turning gray is kind of a blessing, where it softens all of the other horrible things it does to you, but it is what it is.

~Tom Selleck

Popularity is the pocket change of history. The true measure is courage. There will never be another Charlton Heston.

~Tom Selleck

Im a registered independent with a lot of libertarian leanings.

~Tom Selleck

I guess after Dances With Wolves they probably tried some derivative westerns, and if they didn't work, they said the western is dead and moved on to something else

~Tom Selleck

On a day when you're not feeling so good, you put on a happy face, it's infectious - these things sound kind of corny and stupid, but this is our life.

~Tom Selleck

Which to this day is a source of enormous guilt, because I left with three classes to go in the business school to sign a contract with 20th Century Fox.

~Tom Selleck

And besides, because of all she has accomplished, Barbara Jordan has always been a hero of mine

~Tom Selleck

I feel the other element of a western is the land, which is very important in this movie. I mean the land is another character in the piece, actually

~Tom Selleck

Stand up and pledge with me: A government of the United States is not on the auction block. And America is not for sale!

~Tom Selleck

The Westerns I like aren't really comedies. I'm drawn to the scope of them and the land as a central character.

~Tom Selleck

All I see is people out there who are hungry for more.

~Tom Selleck

Hopefully you marry someone who you not only love, but who you like as well.

~Tom Selleck

I realized I really liked the screen. I knew it was a challenge, but I wasn't afraid of risk

~Tom Selleck

I live a pretty simple life.

~Tom Selleck

You don't do characters that are the same as you, otherwise why bother to act?

~Tom Selleck

I haven't gotten fired from many jobs, but you finish a job and nine times out of ten you're just unemployed and you don't know where the

next one is. And that does get old. It's stressful.

~Tom Selleck

People tracking your life and photographing you anywhere you go, that can make you crazy.

~Tom Selleck

Why westerns get segregated into a genre in Hollywood, I don't know... It's just good entertainment.

~Tom Selleck

You know I grew up watching the TV series The Rifleman.

~Tom Selleck

Television's grown up a lot. It's a little more adult, which I think is a good thing. It allows actors to tell more complex stories. I'm happy to see where it ends up.

~Tom Selleck

I think television has always been one to replicate when something's successful.
