

Tom Tancredo

Quotes

*Country, Borders, People, Fighting, United States, Mean, America, Immigration,
Numbers, Party, Support, Wise, Implants, Hate, Democracy, Issues,
Republican, Politics, Able, Unique*

The word nobody wants to use, but you see if you are here illegally, that's the punishment, deportation.

~Tom Tancredo

The Republican Party looks at massive immigration, legal and illegal, as a source of cheap labor, satisfying a very important constituency.

~Tom Tancredo

Amnesty is a terrible policy, and it's terrible politics. It's a terrible policy because you are rewarding people for breaking the law.

~Tom Tancredo

We have to implant democracies where there are now dictatorships.

~Tom Tancredo

We can control our borders, we just choose not to.

~Tom Tancredo

To be called a sovereign nation, a nation has to be able to control its own borders. It is controlling your own destiny in a way, and we don't control our own borders.

~Tom Tancredo

Look, my friends, if I'm a racist, this doesn't mean that I hate brown people

~Tom Tancredo

We have to fight radical Islam wherever it exists. It's in Afghanistan, it's in Saudi Arabia, throughout the Middle-East in big numbers and it's in the United States.

~Tom Tancredo

Radical Islam has been the foe of Christendom for centuries.

~Tom Tancredo

We have terrorists coming into the country both through our Northern and Southern borders.

~Tom Tancredo

I believe that what we are fighting here is not just a small group of people who have hijacked a religion, but it is a civilization bent on destroying ours.

~Tom Tancredo

The right to kill another person is not a right that I would agree with and support.

~Tom Tancredo

In fact, the place where we have indicted more terrorists or potential terrorists, is our Northern border.

~Tom Tancredo

Because the worst of all worlds is when you pretend like you have an immigration policy, you make coming into the United States without our permission illegal, and then you actually don't enforce it.

~Tom Tancredo

The issue of remittances where we have millions of Mexicans working in the United States sending back dollars. He said they send back 10 billion dollars a year.

~Tom Tancredo

You know, I'm a Republican, I'm a Conservative, I voted for George Bush.

~Tom Tancredo

People who could not even spell the word 'vote' or say it in English put a committed socialist ideologue in the White House.

~Tom Tancredo

You can bring down governments, you can do a lot of things that are in your own interests even though liberals will get very antsy when you start talking about it.

~Tom Tancredo
