If you just go with the flow, no matter what weird things happen along the way, you always end up exactly where you belong.

~Tom Upton

Librarians are notorious snitchesâ€”don't let anybody convince you otherwise.

~Tom Upton

Other than the voices in my head, I think I'm pretty normal.

~Tom Upton

Who in their right mind counts the tiles on the floor when they go visiting a neighbor?

~Tom Upton

I really should come with a warning label.

~Tom Upton

It is not easy being trapped in a school that is caught between cornfields and cows.

~Tom Upton

You know, my main goal in life is trying not to end up in a straightjacket.

~Tom Upton

Life is much simpler if you don't notice anything.

~Tom Upton

I just love things that serve a dual purpose.

~Tom Upton

Do you realize how hard it is to keep your mind clear when somebody's telling you to keep your mind clear?

~Tom Upton

Every time there was an unspoken promise that this would be the last time, but it would only be the last time until the next time.

~Tom Upton

Maybe anything that anybody ever has is for now. What happened before is gone, and what will happen later is an illusion.

~Tom Upton

Apparently I couldn't even pretend to be normal.

~Tom Upton

I figured it is always better to be unpopular by your own choice.
