*Fighting, Want, Training, Style, Skills, Believe, Goal, Champion, Mexican, Different, Order, Children, Moving, Weapons, Fighter, Numbers, Action, People, Boxing, Rings*

Whoever is holding the belt right now is the one I want to fight. I want to get that belt again. It's mine.

~Tomoki Kameda

I would love to fight whoever is the best. I want to test myself on how much I can achieve.

~Tomoki Kameda

Everyone has their own weaknesses, for me, I believe it is my speed. I need to train more for that in order to be faster.

~Tomoki Kameda

In all of my fights, it is a learning experience. I would know afterwards what I need to improve on and what skills I need to maintain. This will make me a better fighter.

~Tomoki Kameda

Everything is unpredictable once you are inside the ring.

~Tomoki Kameda

I incorporate different styles that work for me. I could easily change my style depends on my opponent.

~Tomoki Kameda

When the fighters are in the ring, they want to dictate the pace. I want to dominate, so I want to impose to the other fighter my actions.

~Tomoki Kameda

I am learning continuously and my enthusiasm in fighting is always high. Like a child that is always learning and always want to achieve my goal.

~Tomoki Kameda

I should always train in order to be at a higher level. Other fighters are

training hard as well. I have to be a step or more ahead.

~Tomoki Kameda

Being a champion and staying that way is the most difficult thing to deal with. Everyone sees you as a target. They want to bring you down.

~Tomoki Kameda

Winning the title itself is the most rewarding. That is the goal of every boxers.

~Tomoki Kameda

I believe it is very important to learn different fighting styles to make you a flexible fighter.

~Tomoki Kameda

Mexican style of boxing training is different from what my father had trained me. It was good for me because it was an added knowledge, an addition to my boxing IQ.

~Tomoki Kameda

Mexican people are very warm and friendly. I was able to adjust and adapt the new environment. They are very kind and helpful.

~Tomoki Kameda

The first time I went to Mexico, it was really difficult. Number one is the language, I didn't know any Spanish language. Of course, the culture itself. Very different from where I grew up.
