Don't try too hard to be young. Be who you are.

~Tony Danza

In an earthquake, I shouldn't run out of the house - I should run into it.

~Tony Danza

I love to cook and I know a lot of people watching love those segments, but so often they feel rushed to me. If we give 'em a bit more time to breathe, people will get more out of them.

~Tony Danza

We are cutting things kids like-music, art, and gym classes; stuff that kept me in school. This country can't survive without you kids. It's all about you kids.

~Tony Danza

What's interesting is that I get messages from people who think I'm gone. I have messages like "Tony, we're so sorry. We loved you!"

~Tony Danza

Every job has its pros and cons. The NFL just has more of both.

~Tony Danza

Hold back the tide. Keep your kids innocent as long as possible.

~Tony Danza

I'm into women. I just really like women a lot.

~Tony Danza

I am looking forward to getting to do things I have never done before.

~Tony Danza

One of the best indicators of student achievement is the academic success of the mother in the home.

~Tony Danza

We can't want an education for kids more than they want it for themselves.

~Tony Danza

Poverty can't be an excuse for bad teaching, but teaching can't be the only thing we do to combat poverty.

~Tony Danza

Look, when I got in trouble in school I got in trouble at home. Now when kids get in trouble at school, the teacher gets in trouble. So the families are important.

~Tony Danza

I did Vibe, and I felt old and paternal. I've got ties older than people in that audience. I had a talk with myself. I said, You've got to deal with this better.

~Tony Danza

The publicists are the gatekeepers, and they wield a lot of power. They're the ones giving you access to their clients.
