There's no question in my mind: not only am I going to be able to make it through 16 games, I'll make it through another five years.

~Tony Romo

Work hard, do things the right way, and things will go your way.

~Tony Romo

You just work at it. You just keep grinding away, keep trying to get better, and if you got the ability, one day you have a chance.

~Tony Romo

Well, we can't all be Terry Bradshaw.

~Tony Romo

There comes a point in the game where you gotta make a play or you gotta do something to get your team over the hump, and when that time comes you gotta be able to do it.

~Tony Romo

Everyone runs their own race.

~Tony Romo

I think people just like rooting. If they like you, they're going to want to root for you and you're one of theirs. And if they don't like you? It doesn't matter.

~Tony Romo

I think you use the negative things that happen from the year before - and from other years, too - to spur you to do the things you need to do to take the next step.

~Tony Romo

I feel like I'm going to be with the Cowboys the rest of my career, definitely. I love it.

~Tony Romo

Fame is fleeting. That stuff comes and goes. You know, as soon as I play poorly ... you won't be doing this interview--you'll be interviewing the next guy.

~Tony Romo

As a competitor and an athlete, you love that you get to go back and challenge someone, especially the world champs.

~Tony Romo

You may have seen have seen me in such places as your local market in a tabloid.

~Tony Romo

I don't think about it, 'Wow! I'm the quarterback of the Dallas Cowboys.' For me, this is my job. This is what I've been preparing to do. And I really want to win badly.

~Tony Romo

I think some guys have the ability to learn from themselves and get better. Those are the guys that last a long time and continue to improve in this league and in sports in general.

~Tony Romo

You try and work hard and get better each week. I play the game with passion. I enjoy the game. It's a lot of fun when I'm out there. That's the way I play. For some reason, people like that.

~Tony Romo

I think my best years are ahead of me and that's exciting.

~Tony Romo

The first game of the year is always an in-season adjustment game.

~Tony Romo

It's just like high school. If you're a freshman or a sophomore, it's hard to tell the seniors who've been through two, three, playoff games what to do.

~Tony Romo

You know you are going to go through your ups and downs in this game.

~Tony Romo

It's easy to say you're more mature because all of a sudden you have a child, but it's a process.

~Tony Romo

The Leftovers is a great basketball book that shines a light on what true competitors can overcome with a solid work ethic.

~Tony Romo

I've played long enough to know that certain games are certain ways. You're gonna throw it less in others, more in others, and just look at what the team needs that day to win a football game.
