

Tony Scott Quotes

*People, Real, Character, Thinking, Different, Morning, World, Way, Hair, Love
Affair, Noise, Rely, Done, Sick, Guilt, Revenge, Trying, Marathon, Hours, Inspire*

I thought that subtitles are boring because they're there generally to serve us with information to make you understand what people are saying in a different language.

~Tony Scott

I think we're lucky because there are very few people in life who get to do what we're doing.

~Tony Scott

There's one great script that hit my desk that I didn't change at all, and that was True Romance.

~Tony Scott

I'm trying to use the camera to get into people's heads. I use camera techniques a lot to articulate character.

~Tony Scott

A lot of actors talk about doing their homework, but very few of them do it.

~Tony Scott

I've had a love affair with every movie I've ever done.

~Tony Scott

The real world is where I get to educate and entertain myself. I go and touch the real world and touch real people. That's my way into movies.

~Tony Scott

Research is what drives me. When I get a script, I go to the real world and touch the real people.

~Tony Scott

The world is sick of big IT things that don't work.

~Tony Scott

I have a short attention span.

~Tony Scott

Mum was the matriarch and the patriarch of the family.

~Tony Scott

Ridley and I talk every day. Our family is very close because we're from North England.

~Tony Scott

Making a movie is like a marathon, and commercials are like sprints - they're equally satisfying, but in different ways.

~Tony Scott

With every movie I do and every day I go to work, my goal is not just to reach for difference, but also figure out how to look at the world and characters in a different way.

~Tony Scott

I love shooting with real things in the real world. I think it gives a level of drama, performance, and everything seems to rise to the occasion.

~Tony Scott

Out of the total of 11 movies, I got slammed.

~Tony Scott

I make a movie because it's something that inspires me.

~Tony Scott

The biggest edge I live on is directing. That's the most scary, dangerous thing you can do in your life.

~Tony Scott

I like changing the pace of my life, changing my discipline. It gives me

ideas for how to see the world differently.

~Tony Scott

GM is a highly collaborative organization; we rely on a whole tier of suppliers for everything that we do.

~Tony Scott

I think the guiding principle for me is working with people, because I don't know how long it's going to last, I want to seize the moment and work with people I want to work with.

~Tony Scott

Its very hard trying to talk to an actor about how they should deliver lines, or cut their hair, unless it comes from a place of a strong point of view.

~Tony Scott

All my movies, like Revenge, are under two hours.

~Tony Scott
