I was one of those people who put too much emphasis on work and career and material possessions, and it took its toll on all my relationships, on my physical health, my emotional and mental health.

~Tony Shalhoub

I don't look as handsome in Men in Black II as I did in the first one.

~Tony Shalhoub

I still think of myself as a stage actor. When I do film and television I try to implement what I was taught to do in theatre, to try to stretch into characters that are far from myself.

~Tony Shalhoub

With what's happened in the world the last three years, it's easier to see why it's become popular again to diminish and revile Arabs and Muslims in American popular culture.

~Tony Shalhoub

Theres always next year, ... except, you know, for Ray Romano.

~Tony Shalhoub

I am living proof that uncertainty is vastly underrated and often times a blessing in disguise.

~Tony Shalhoub

My only preference is to have a lot of variety and diversity in the material that I work on.

~Tony Shalhoub

Every project that I had an opportunity to do or chose to do, I wanted it to be different from the last thing I did, and I think that's why I have a good, I had kind of a diverse kind of résumé.

~Tony Shalhoub

To my fellow nominees, whoever they are - I'm not that familiar with their work - I just want to say, there's always next year - except, you know, for Ray Romano.

~Tony Shalhoub

I'm impossible to direct. I couldn't get myself to do anything.

~Tony Shalhoub

I shot Barton Fink in July and moved out to LA that fall. The movie came out in the spring and it was a year before I got Wings.

~Tony Shalhoub

I've been so fortunate throughout my career, when I was doing theater, more theater than anything else, and when I was doing films that I got a chance just to do a broad range of things.

~Tony Shalhoub
