

# Tory Burch Quotes

*Thinking, Important, Entrepreneur, People, Ambition, Apologizing, New York,  
Challenges, Want, Giving, Wanted, Jobs, Clothes, Comfort, Letters, Four,  
Helping, Men, Mother, Design*

I never go out during the day without sunglasses.

~Tory Burch

My biggest challenge every day is to be a great mother and a great businesswoman.

~Tory Burch

I am always interested in designing things that have a great price point attached to it.

~Tory Burch

If it doesn't scare you, you're probably not dreaming big enough.

~Tory Burch

We need to get women to the point where they aren't apologizing. Its time to take ownership in our success.

~Tory Burch

I think women want to look beautiful. I think that's an important thing. It is relevant.

~Tory Burch

One of my greatest talents is recognizing talent in others and giving them the forum to shine.

~Tory Burch

I think when I was on the corporate ladder, it was very difficult to maintain the hours. It's a little easier when you have you're an entrepreneur.

~Tory Burch

Entrepreneurs have a great ability to create change, be flexible, build companies and cultivate the kind of work environment in which they want to work.

~Tory Burch

Never underestimate the impact of a small act.

~Tory Burch

Having an environment that is supportive is really important for success.

~Tory Burch

When I think about fashion I think women will never lose that appetite for fashion.

~Tory Burch

It was ingrained in me to be gracious.

~Tory Burch

There's always a stigma attached to the word 'ambition' and women. I've embraced it. Ambition is NOT a four-letter word and women have to embrace that.

~Tory Burch

Women have to embrace ambition if they want to. I had a lot of trouble taking compliments in the beginning, and it's really important for women to embrace their title.

~Tory Burch

Sometimes women entrepreneurs are their own challenge, [in terms of] believing in themselves. There is no need to apologise for being ambitious.

~Tory Burch

I wanted stores that would feel like a comfortable room in my apartment, cozy and colorful and different.

~Tory Burch

I just like easy clothes - comfort.

~Tory Burch

My company is an extension of me, so when I designed my stores I wanted people to feel that they were in my home.

~Tory Burch

It's very passe to think women want to spend a fortune on clothes.

~Tory Burch

I love exploring New York and I think that's what is so exciting about it. You find places that you've never heard of or seen before all the time.

~Tory Burch

I like being straightforward. We can deal with anything as long as it's on the table.

~Tory Burch

I like being behind the scene.

~Tory Burch

Ambition is not a four-letter word and women have to embrace that.

~Tory Burch

I'm very forgiving so I forgive most things, really.

~Tory Burch

I could eat gazpacho three times a day.

~Tory Burch

I wanted to help women and their families.

~Tory Burch

It's a gift to be able to give access.

~Tory Burch

An important lesson: Things that look like an overnight success usually aren't.

~Tory Burch

I think women have a lack of confidence. They often apologize; I was guilty of that too. When people have said, "Oh, look at your success," I would downplay it.

~Tory Burch

For me, if I can design beautiful things that have the price be lower, I am thrilled.

~Tory Burch

I wanted to create a new way of looking at retail.

~Tory Burch

I think women do work differently; it's important to have both men and women. They offer different things.

~Tory Burch

I'm always perpetually out of my comfort zone.

~Tory Burch

I would love to do special products for specific countries. As we go ahead and learn the territories, we're going to do exclusives for each area.

~Tory Burch

I grew up on a farm in Pennsylvania, where my parents raised German shepherds - we had about 30 dogs at any given time.

~Tory Burch

I've learned time management, organization and I have priorities.

~Tory Burch

Big businesses can help by engaging aspiring entrepreneurs and promoting initiatives which support small businesses from within.

~Tory Burch

I just love the energy of going into different areas of New York.

~Tory Burch
